Grade 7 question bank

Name _____ Date _____

Extra practice by topic, 72 questions. Use a section after the matching day, or the strands that are weakest on the progress chart.

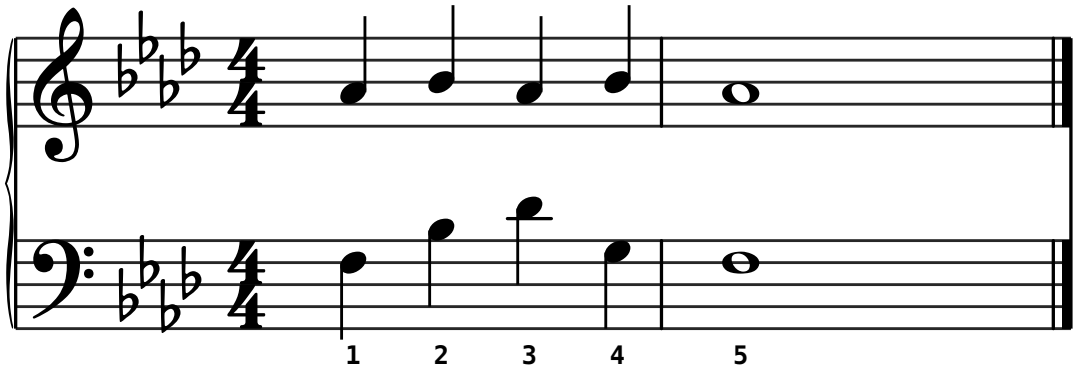

Figuring a bass (question 1)

1. The melody and bass are given (E♭ major). Choose the figures for each bass note to show the chords. A blank (5/3) means a root-position triad.

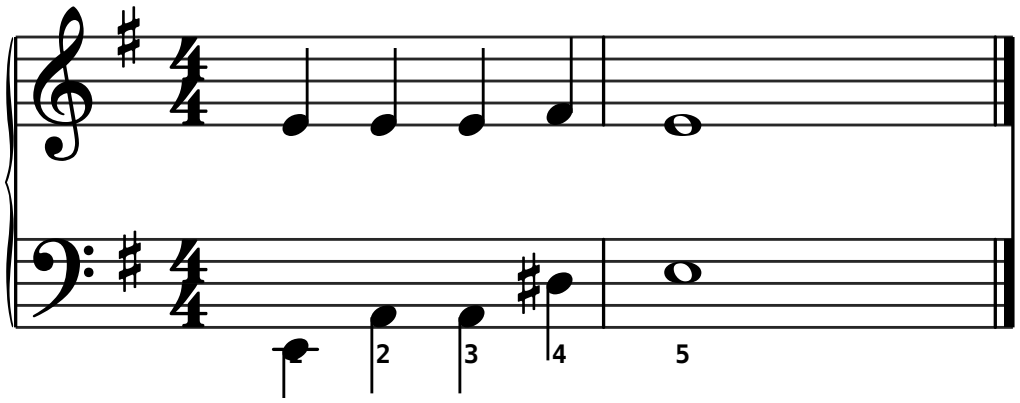

Write the figures under each bass note.

2. The melody and bass are given (F minor). Choose the figures for each bass note to show the chords. A blank (5/3) means a root-position triad.

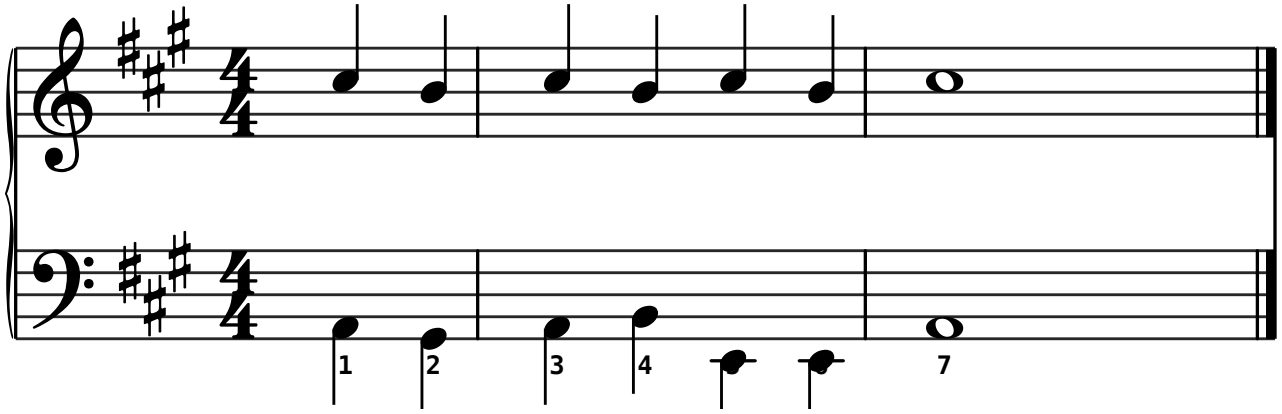

Write the figures under each bass note.

3. The melody and bass are given (E minor). Choose the figures for each bass note to show the chords. A blank (5/3) means a root-position triad.

Write the figures under each bass note.

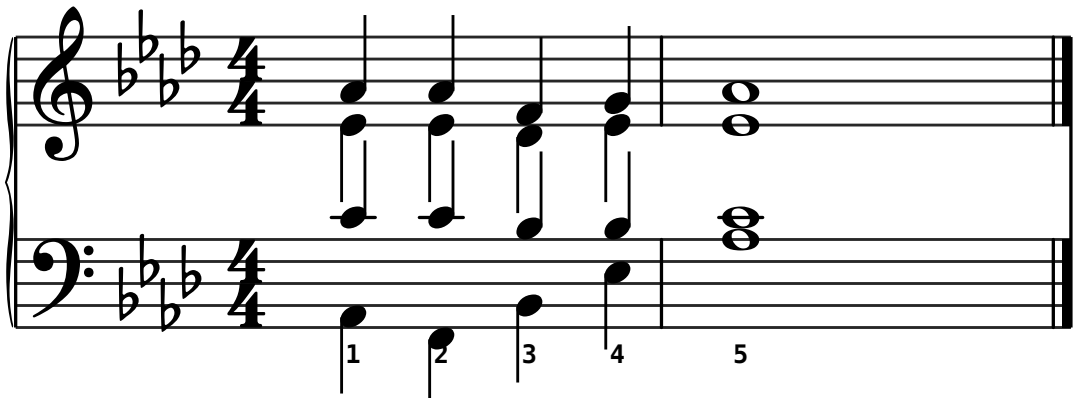

4. The melody and bass are given (A major). Choose the figures for each bass note to show the chords. A blank (5/3) means a root-position triad.

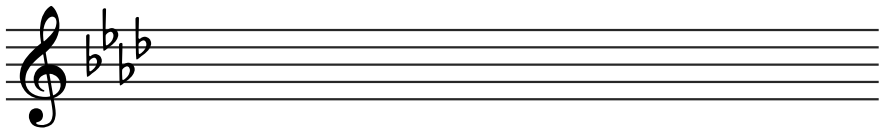

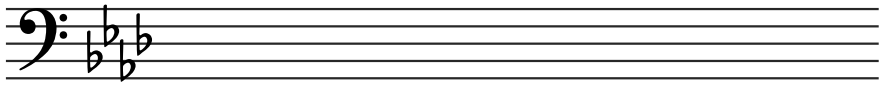

Write the figures under each bass note.

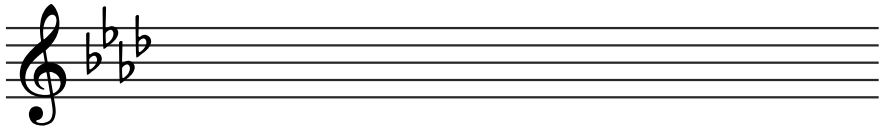

Rewriting with suspensions (question 2)

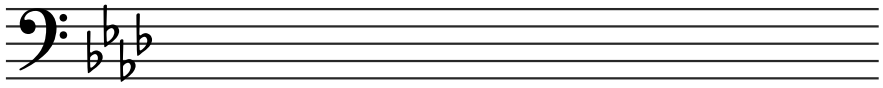

5. Rewrite this passage (A♭ major) adding at least two suspensions and some melodic decoration (passing notes, auxiliary notes, anticipations). Keep the harmony the same.

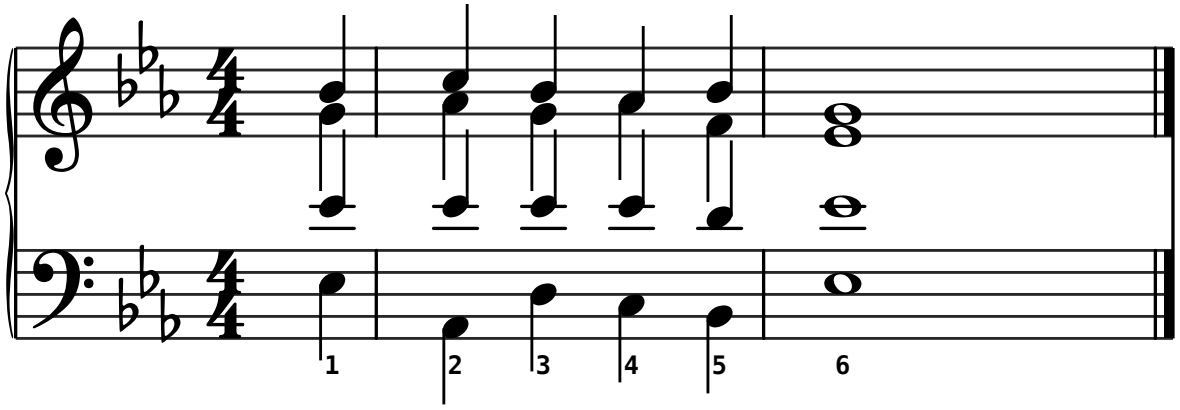

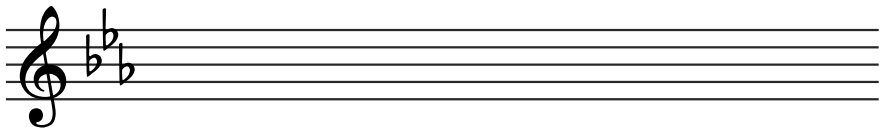

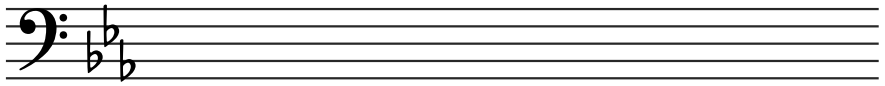

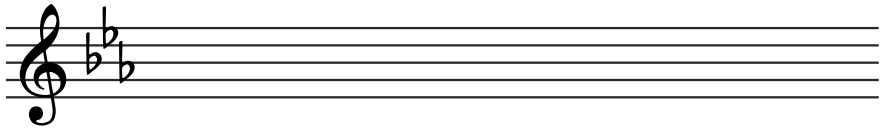

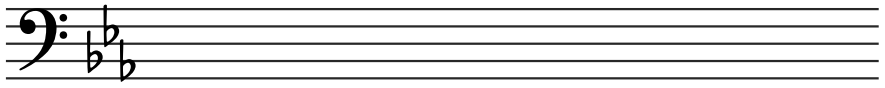

6. Rewrite this passage (E♭ major) adding at least two suspensions and some melodic decoration (passing notes, auxiliary notes, anticipations). Keep the harmony the same.

7. Rewrite this passage (A major) adding at least two suspensions and some melodic decoration (passing notes, auxiliary notes, anticipations). Keep the harmony the same.

Composing over chords (question 3)

8. Composition: write a melody for cello over this chord plan (F major). The first bar is given; continue it to the end of bar 8. Add a tempo, dynamics and phrasing.

cello range: C2 upwards (tenor clef for high notes).

9. Composition: write a melody for viola over this chord plan (B♭ major). The first bar is given; continue it to the end of bar 8. Add a tempo, dynamics and phrasing.

viola range: C3 upwards (comfortably up to about E5).

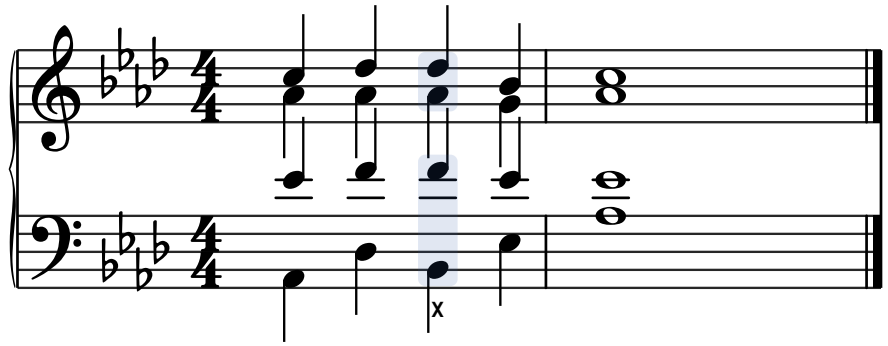

10. Composition: write a melody for flute over this chord plan (D minor). The first bar is given; continue it to the end of bar 8. Add a tempo, dynamics and phrasing.

flute range: C4 to about C7.

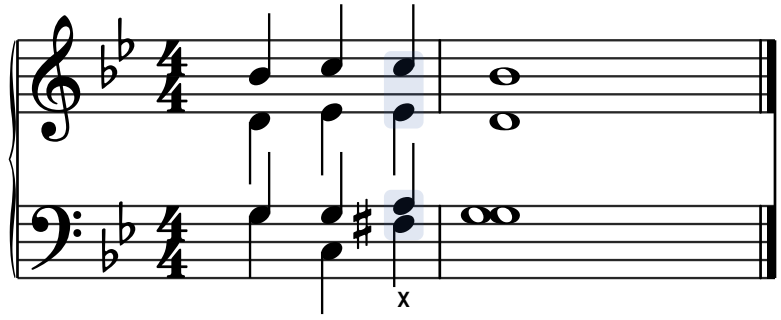

Grade 7 chords

11. This passage is in A♭ major. Name the chord marked X.

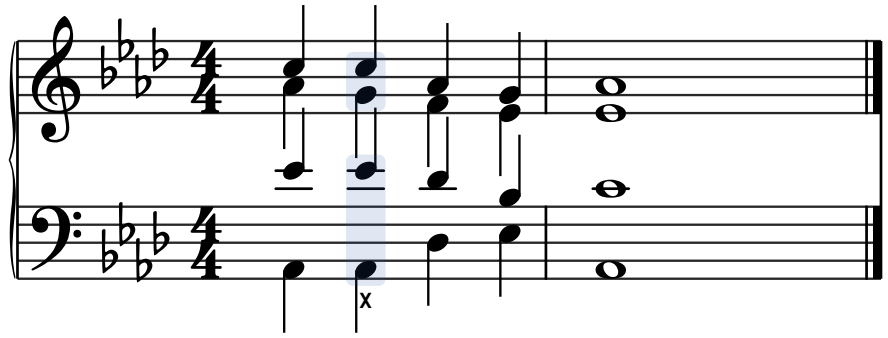

A. II7 B. IV C. Ic D. I

12. This passage is in G minor. Which figures go under the chord marked X?

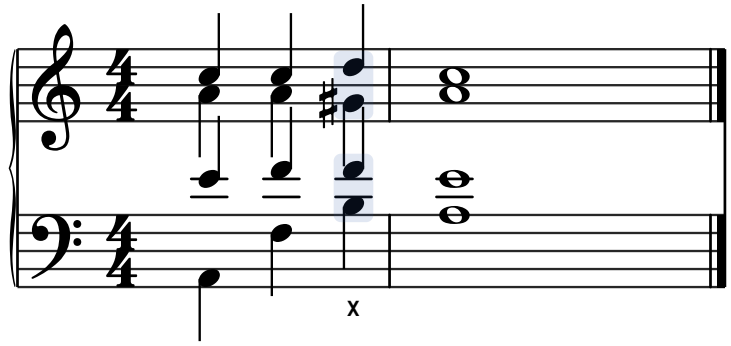

A. 4/♯2 B. ♯4/3 C. 4/2 D. 7

13. This passage is in A♭ major. Which figures go under the chord marked X?

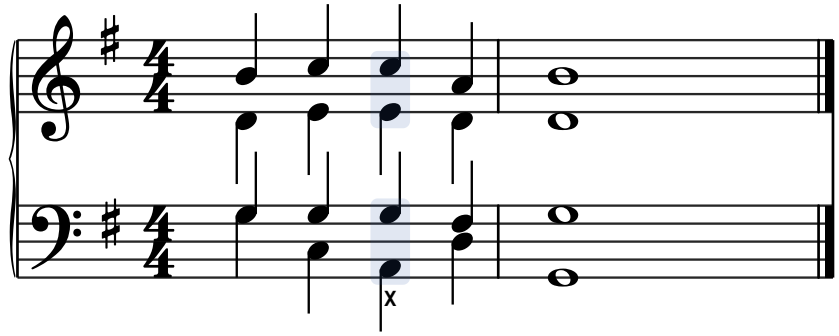

A. 6/5 B. 4/3 C. 7 D. 5/3 (no figure)

14. This passage is in A minor. Name the chord marked X.

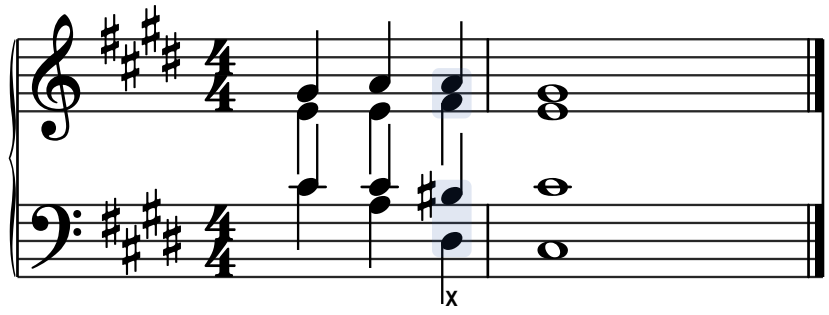

A. Ib B. VII7b C. II7d D. VI7b

15. This passage is in G major. What kind of chord is X?

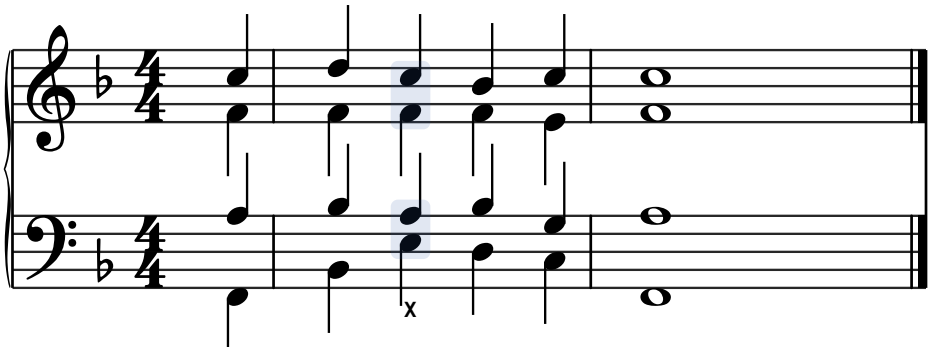

A. a half-diminished 7th (VII7 in a major key) B. a Neapolitan 6th C. a diminished 7th D. a secondary 7th

16. This passage is in C♯ minor. Name the chord marked X.

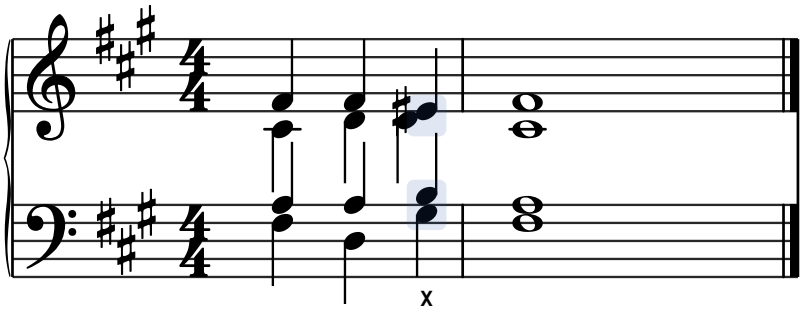

A. VII7b B. N6 C. I7 D. VIIb

17. This passage is in F major. Name the chord marked X.

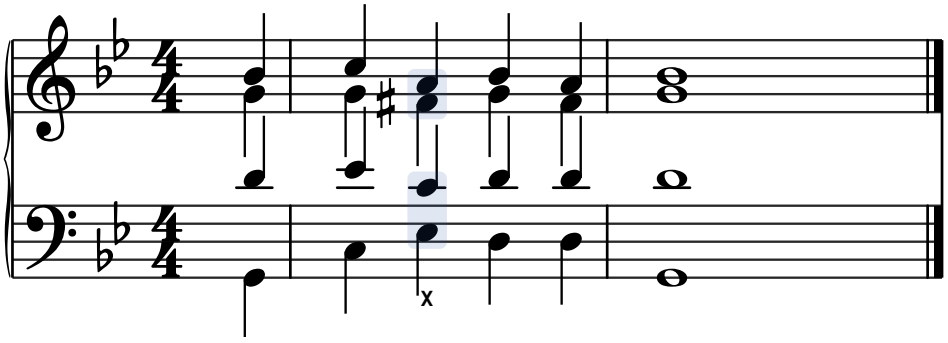

A. I B. VII7c C. I7d D. IV

18. This passage is in F♯ minor. Which figures go under the chord marked X?

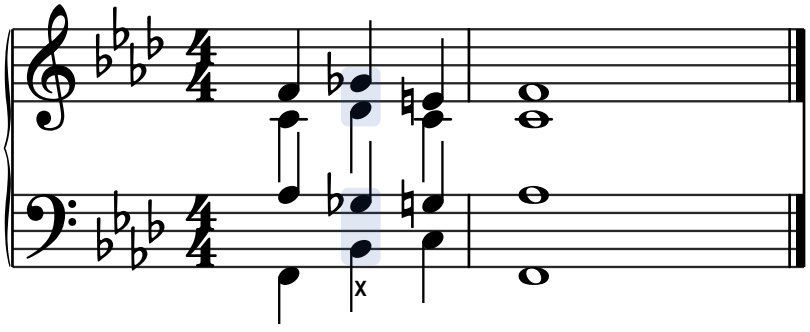

A. ♯6/5 B. 6/5 C. ♯4/3 D. 4/♯2

19. This passage is in G minor. Name the chord marked X.

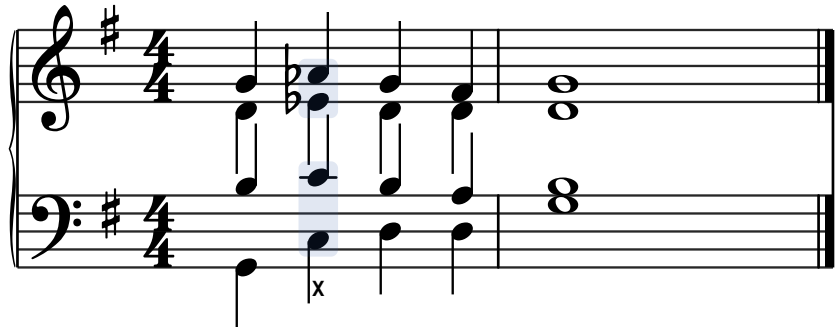

A. IIb B. VII7d C. IV7b D. VIIb

20. This passage is in F minor. What kind of chord is X?

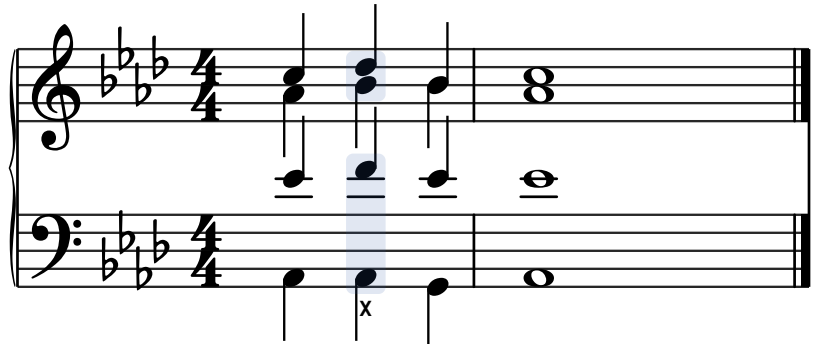

A. a diminished 7th B. a secondary 7th C. a Neapolitan 6th D. a dominant 7th

21. This passage is in G major. Which figures go under the chord marked X?

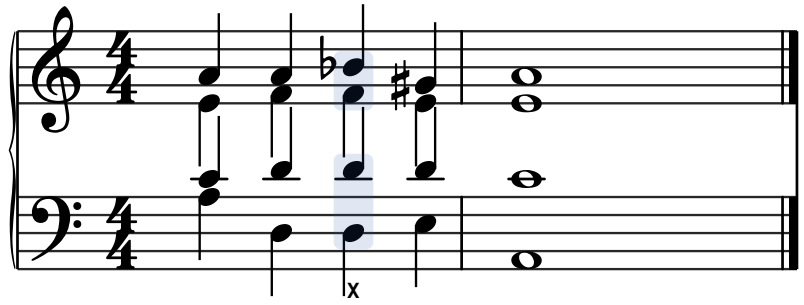

A. ♭6/♭ B. 5/3 (no figure) C. 6 D. 4/2

22. This passage is in A♭ major. Name the chord marked X.

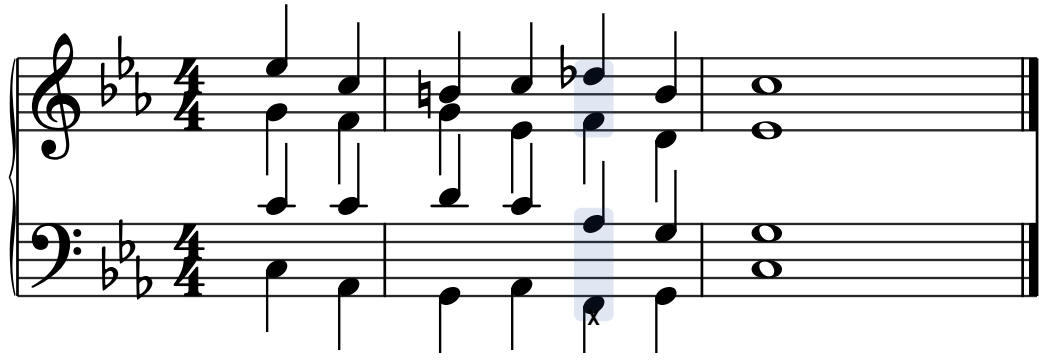

A. IIb B. II7d C. I7c D. V7

23. This passage is in A minor. What kind of chord is X?

A. a Neapolitan 6th B. a half-diminished 7th (VII7 in a major key) C. a secondary 7th D. a diminished 7th

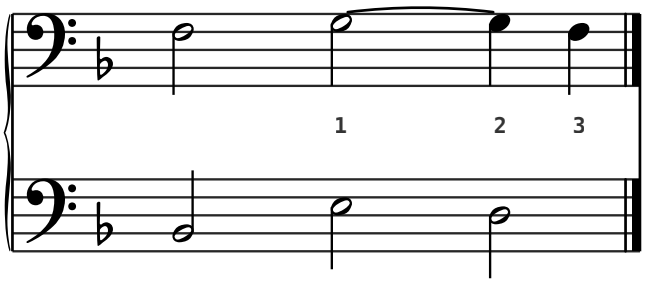

24. This passage is in C minor. Name the chord marked X.

A. IV7b B. N6 C. VIIb D. VII7b

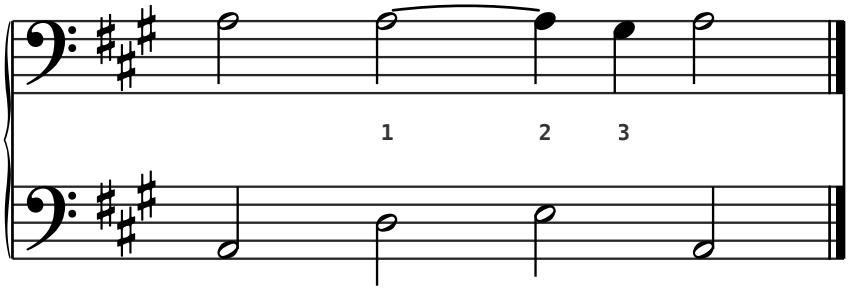

Suspensions and decoration

25. Note 2 is a suspension over the bass. What kind? (D minor)

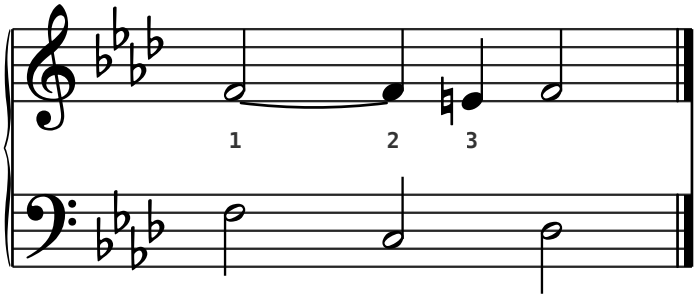

A. 7–6 B. 4–3 C. 9–8 D. 2–3

26. In this suspension, which note is the suspension (the clash)? (A major)

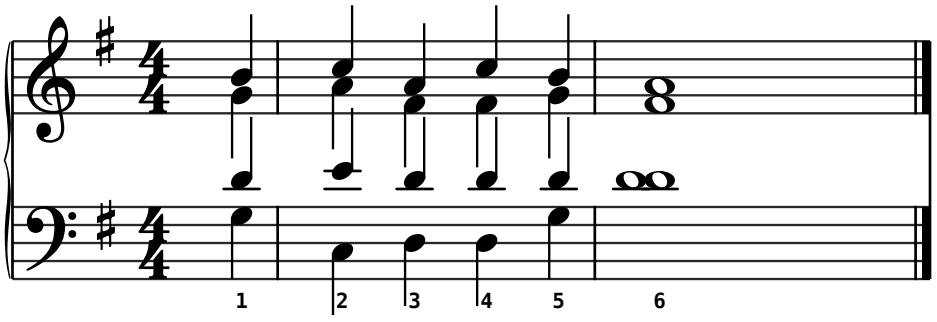

A. Note 1 B. Note 3 C. Note 2

27. Note 2 is a suspension over the bass. What kind? (F minor)

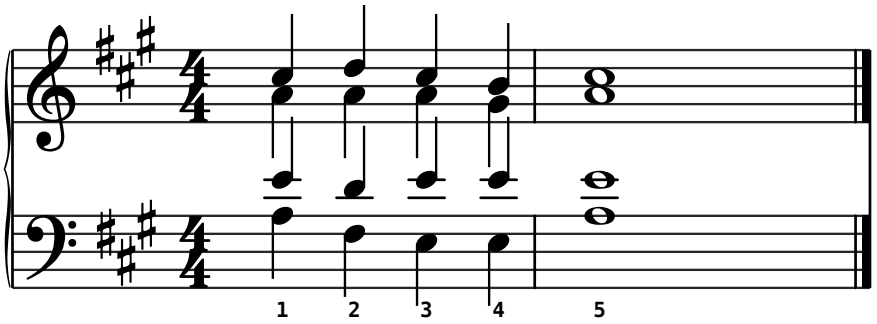

A. 2–3 B. 7–6 C. 9–8 D. 4–3

28. Where could you add a suspension? (G major)

A. soprano, into chord 5 B. soprano, into chord 6 C. tenor, into chord 6 D. tenor, into chord 2

29. Where could you add a suspension? (A major)

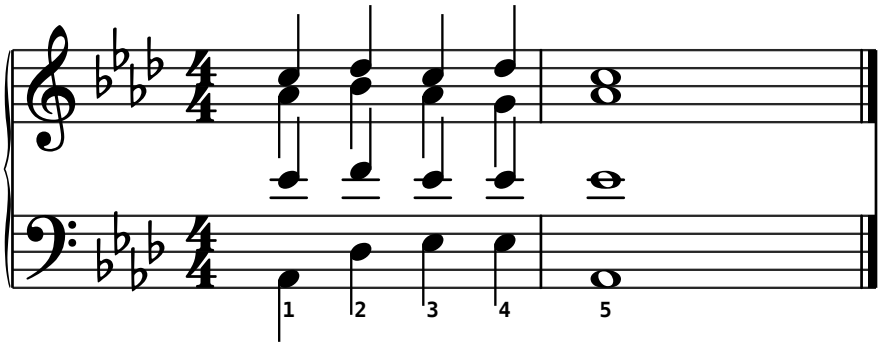

A. soprano, into chord 4 B. soprano, into chord 3 C. tenor, into chord 3 D. tenor, into chord 5

30. How is a 7–6 suspension figured?

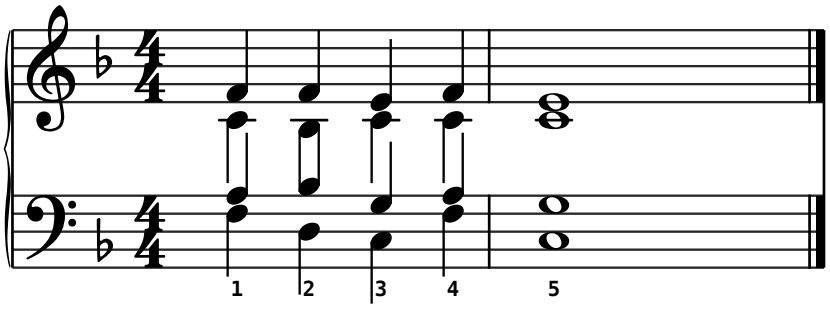

A. 4 3 B. 6 5 C. 7 6 D. 9 8

31. Where could you add a suspension? (A♭ major)

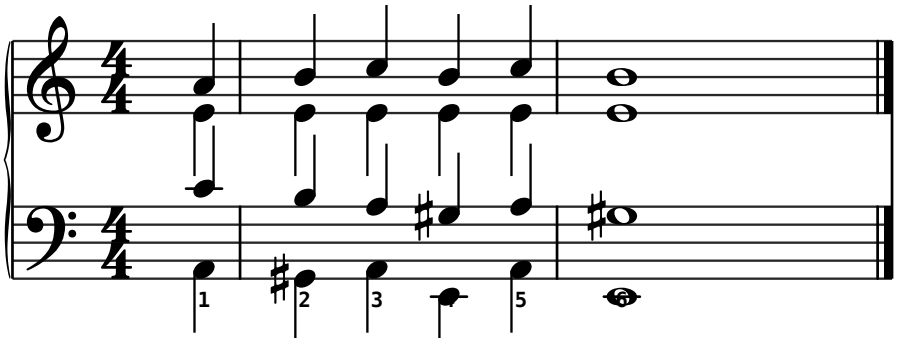

A. soprano, into chord 4 B. alto, into chord 2 C. tenor, into chord 5 D. tenor, into chord 3

32. Where could you add a suspension? (F major)

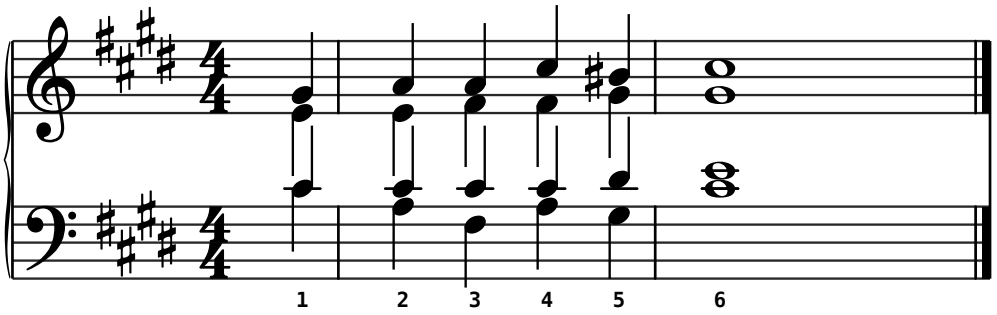

A. tenor, into chord 4 B. tenor, into chord 5 C. soprano, into chord 4 D. soprano, into chord 5

33. Where could you add a suspension? (A minor)

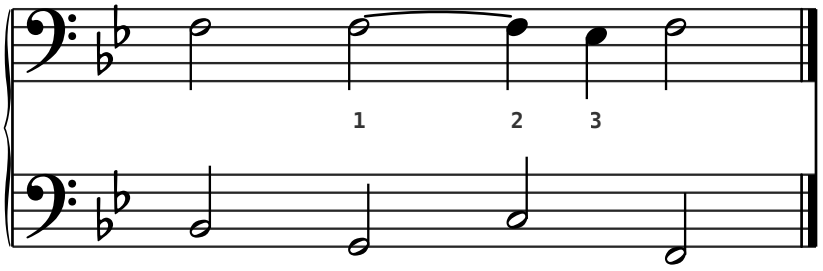

A. tenor, into chord 5 B. tenor, into chord 3 C. alto, into chord 3 D. soprano, into chord 2

34. Where could you add a suspension? (C♯ minor)

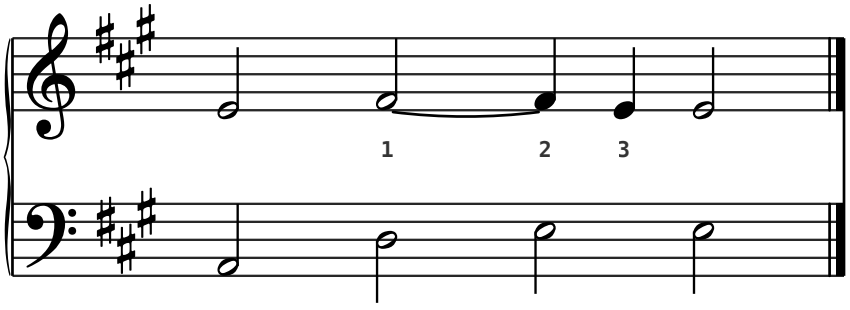

A. alto, into chord 3 B. alto, into chord 5 C. soprano, into chord 5 D. tenor, into chord 3

35. Note 2 is a suspension over the bass. What kind? (B♭ major)

A. 2–3 B. 7–6 C. 4–3 D. 9–8

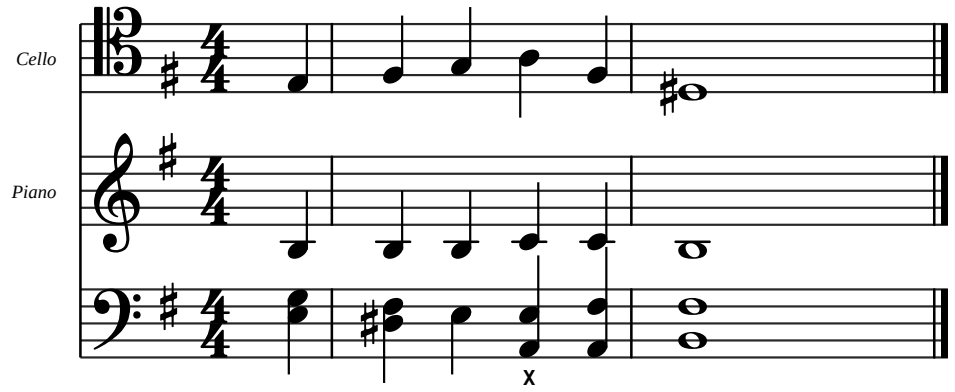

36. Note 2 is a suspension over the bass. What kind? (A major)

A. 9–8 B. 4–3 C. 7–6 D. 2–3

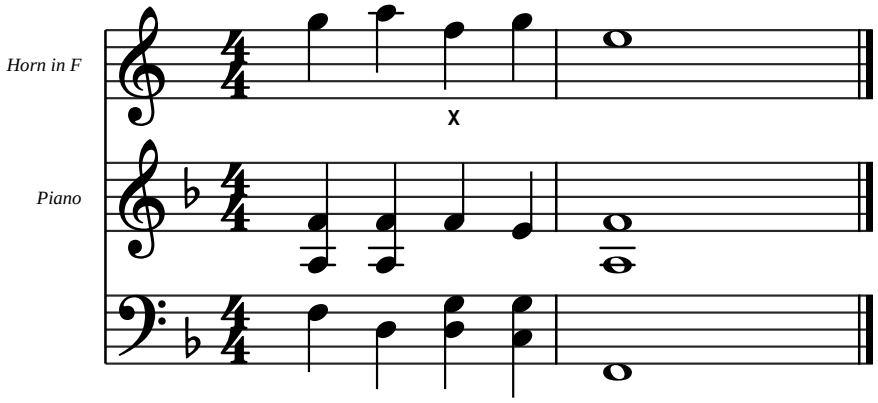

Solo instrument and piano (question 4)

37. The music sounds in E minor. Name the chord at X (solo and piano together; remember the solo transposes).

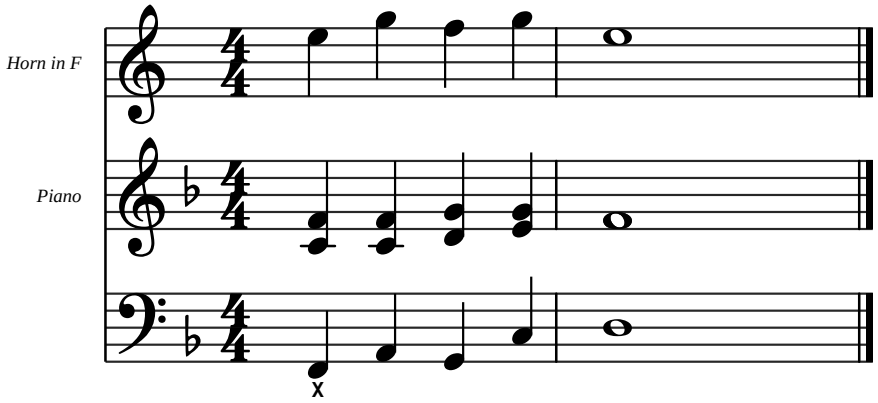

A. IV B. VII7d C. IVc D. IIb

38. The horn in F plays the note marked X. Which note actually sounds? (The music sounds in F major.)

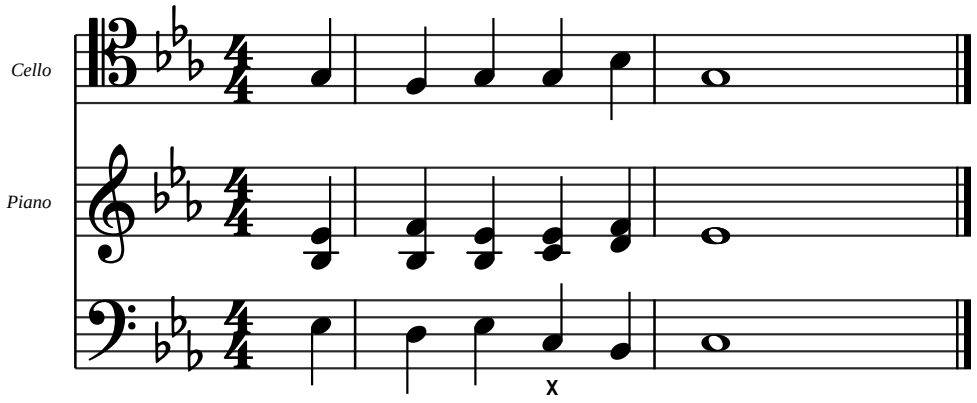

A. C B. B♭ C. G D. D

39. The music sounds in F major. Name the chord at X (solo and piano together; remember the solo transposes).

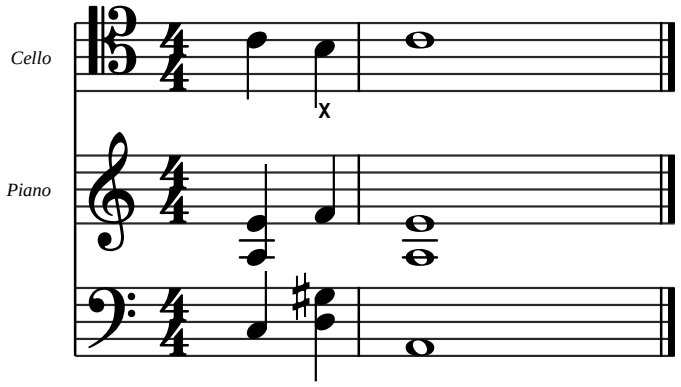

A. I B. IV7b C. V7b D. IIb

40. The music sounds in E♭ major. Name the chord at X (solo and piano together; remember the solo transposes).

A. IVb B. Ib C. VI D. V7b

41. Name the cello's note marked X (tenor clef). Give the octave too: middle C is C4.

A. B2 B. D4 C. C4 D. B3

42. Which cadence ends this extract? (D major)

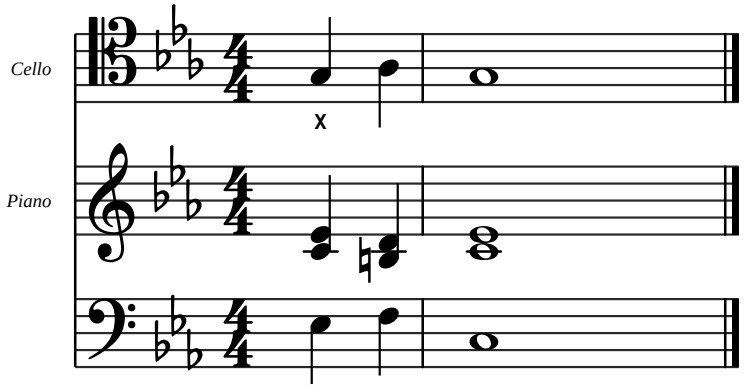

A. perfect B. imperfect C. plagal D. interrupted

43. Name the interval between the SOUNDING note of the cello at X and the lowest piano note at Y.

A. minor 13th B. major 13th C. minor 6th D. perfect 13th

44. Name the cello's note marked X (tenor clef). Give the octave too: middle C is C4.

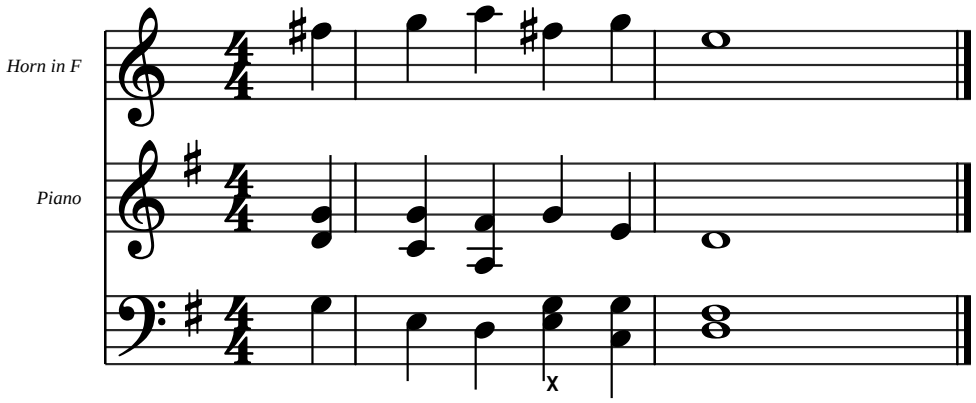

A. G3 B. G2 C. A♭3 D. F3

45. The clarinet in B♭ plays the note marked X. Which note actually sounds? (The music sounds in F minor.)

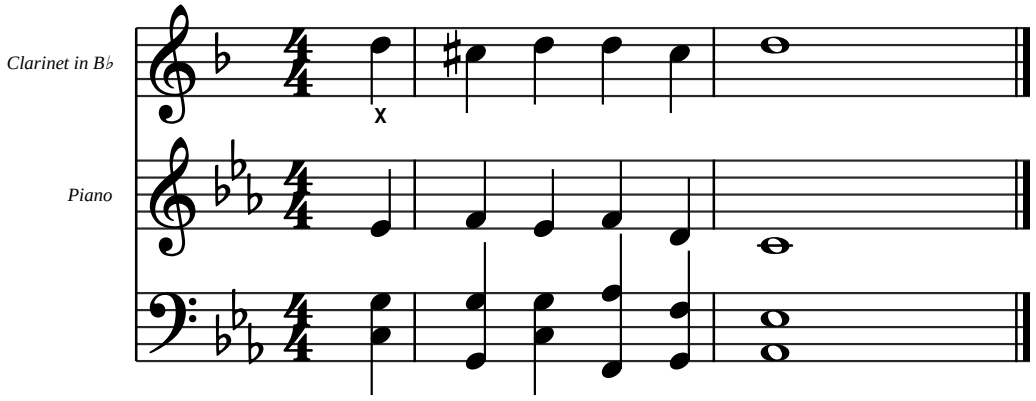

A. C B. E C. F♯ D. G

46. The music sounds in G major. Name the chord at X (solo and piano together; remember the solo transposes).

A. II7b B. VII7d C. VI D. Ib

47. The clarinet in B♭ plays the note marked X. Which note actually sounds? (The music sounds in C minor.)

A. B♭ B. D C. C D. E♭

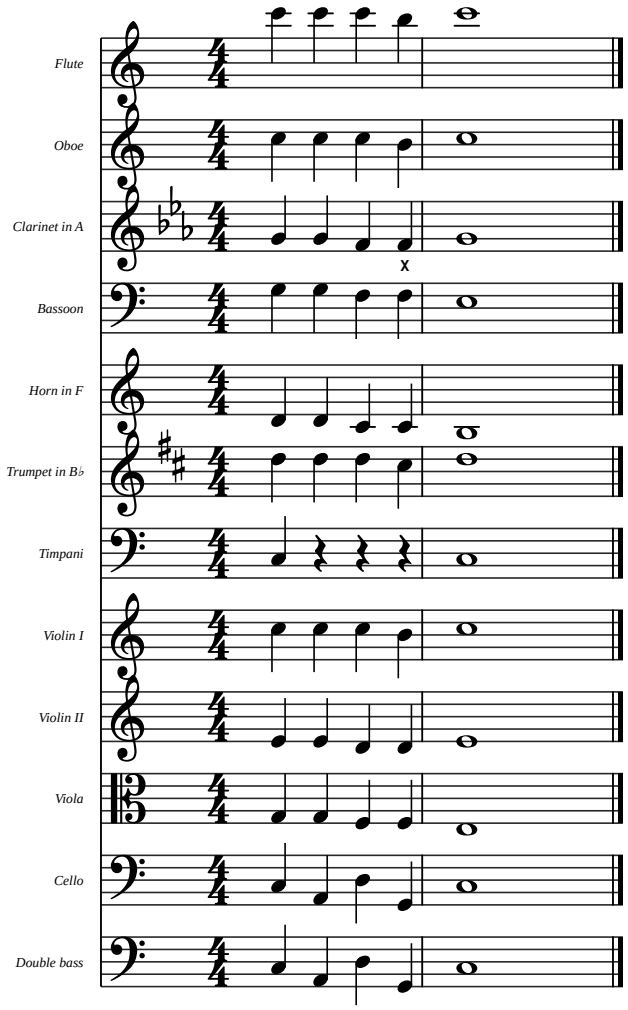

48. The clarinet in A plays the note marked X. Which note actually sounds? (The music sounds in G minor.)

A. B♭ B. D C. A D. C

Full score (question 5)

49. The clarinet in A plays the note marked X. Which note actually sounds?

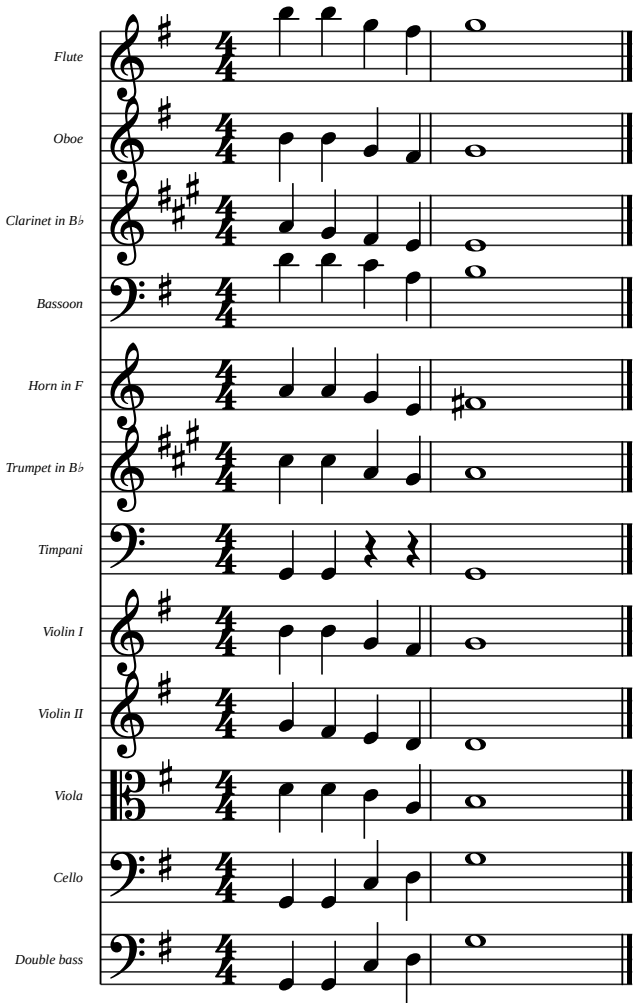

A. B

B. F

C. D

D. E

50. The double bass and cello are written on the same notes here. How do they sound?

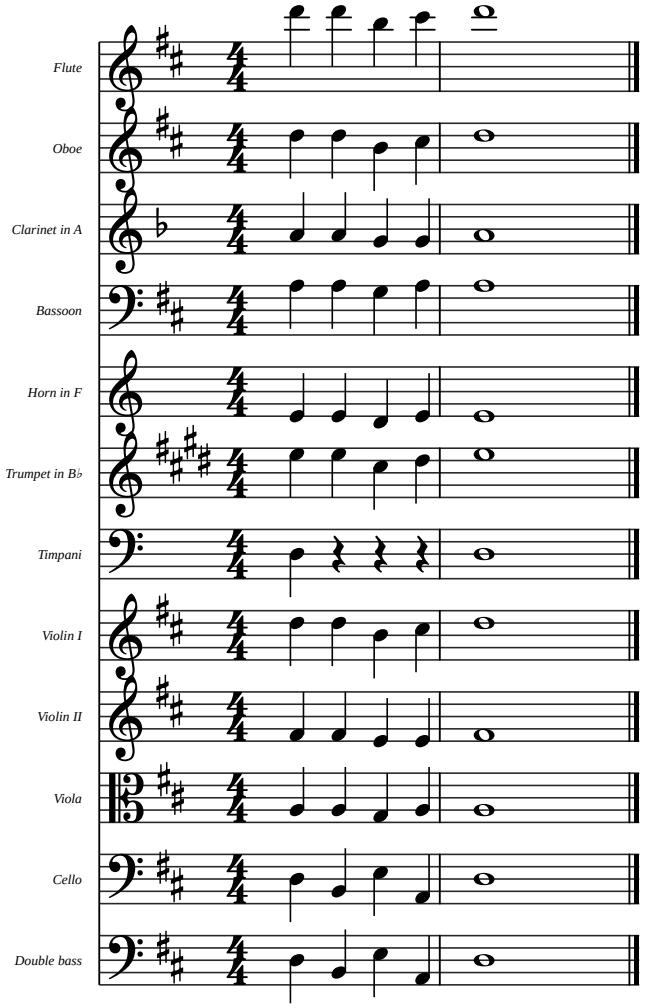

A. they sound in unison

B. the cello sounds an octave lower

C. the double bass sounds an octave higher

D. the double bass sounds an octave lower

51. The double bass and cello are written on the same notes here. How do they sound?

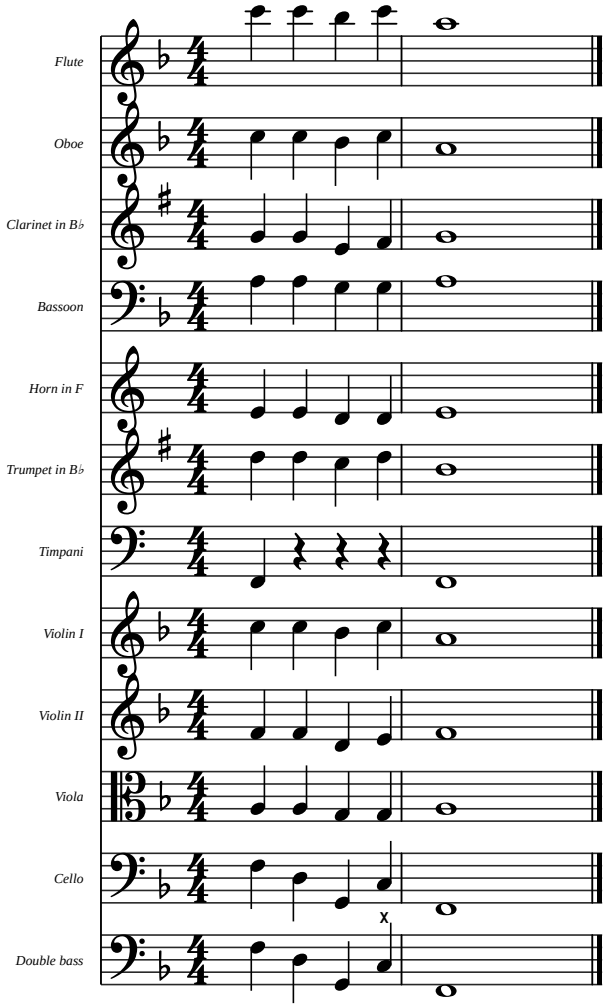

A. the double bass sounds an octave lower

B. they sound in unison

C. the double bass sounds an octave higher

D. the cello sounds an octave lower

52. This extract sounds in F major. Name the chord at X.

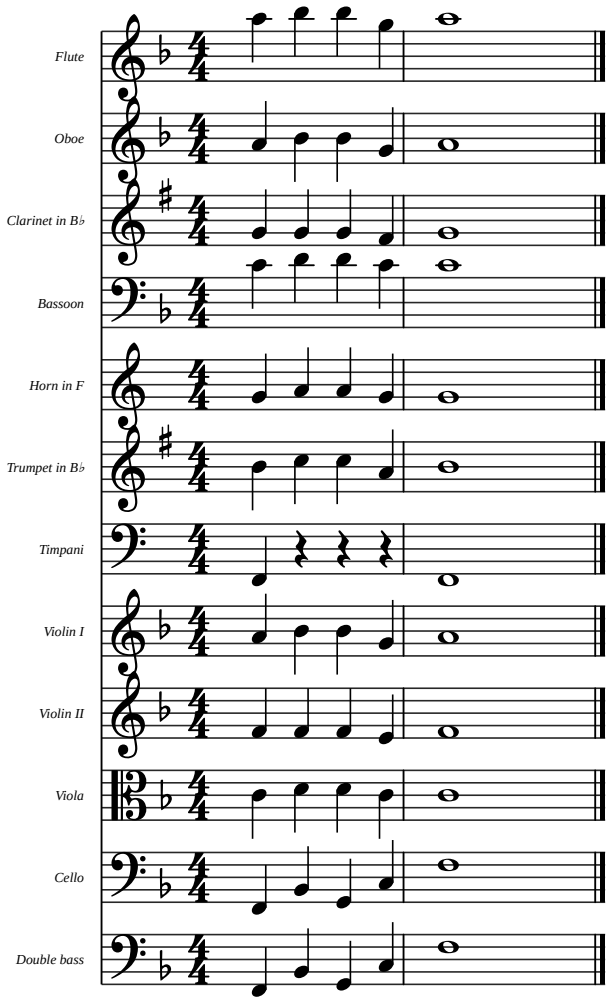

A. V

B. VI7b

C. VII7c

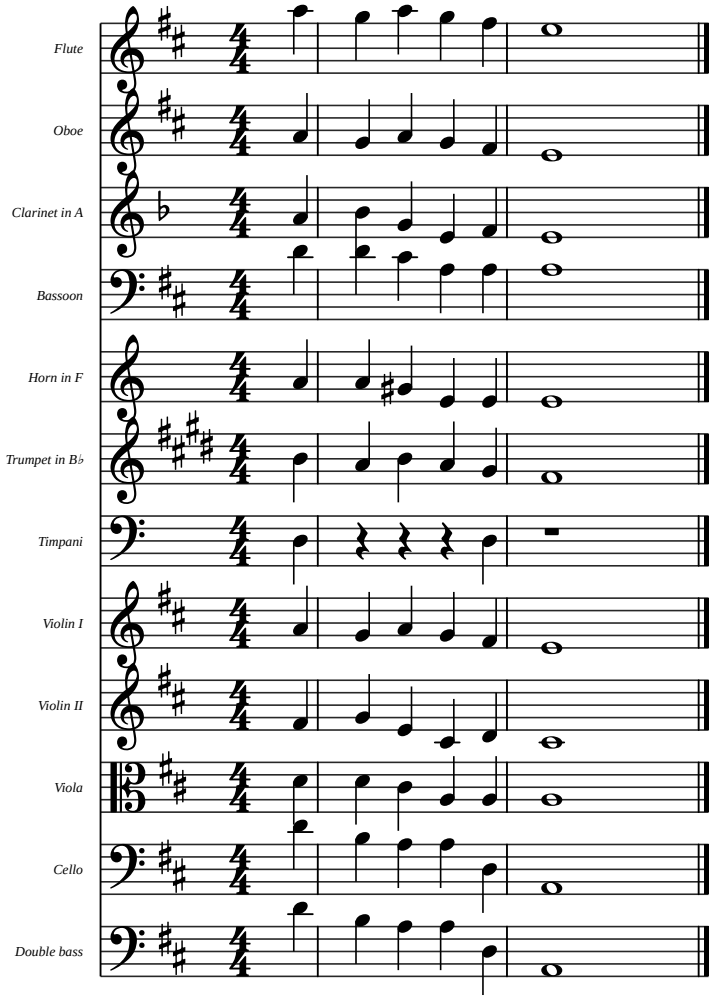

D. IV7d

53. In score order, which family comes straight after the brass?

A. voices
B. percussion
C. woodwind
D. strings

54. In score order, which family comes straight after the brass?

A. voices B. woodwind C. percussion D. strings

55. The double bass and cello are written on the same notes here. How do they sound?

A. the double bass sounds an octave lower

B. the double bass sounds an octave higher

C. they sound in unison

D. the cello sounds an octave lower

56. The double bass and cello are written on the same notes here. How do they sound?

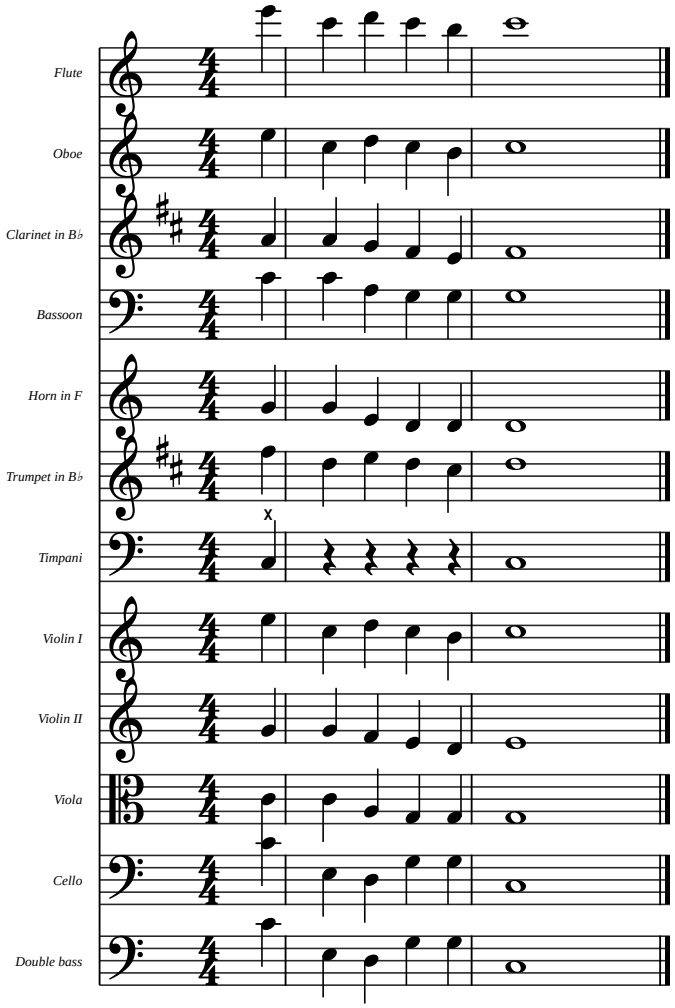

A. the double bass sounds an octave lower

B. the cello sounds an octave lower

C. the double bass sounds an octave higher

D. they sound in unison

57. Which note actually sounds for the trumpet in B♭ at X?

A. F♯ B. D C. E D. G

58. This extract sounds in A major. Name the chord at X.

A. VI B. I7c C. II7d D. VII7

59. How many of these staves are for woodwind instruments?

A. 4 B. 5 C. 3 D. 6

60. In score order, which family comes straight after the brass?

A. woodwind B. voices C. strings D. percussion

Grade 7 terms

61. Which term means "both players play the same part"?

A. a 2 B. lacrimoso C. très D. un peu

62. Which term means "flutter-tonguing (German)"?

A. attacca B. a 2 C. Flatterzunge D. breit

63. Which term means "dying away"?

A. etwas B. sehr C. smorzando (smorz.) D. ad libitum (ad lib.)

64. Which term means "with movement (German)"?

A. bewegt B. en dehors C. tranquillo D. ad libitum (ad lib.)

65. What does this mean?

au mouvement

A. a little (French) B. brought out, prominent (French) C. back to the original speed (French) D. divided: players share the notes

66. What does this mean?

sul tasto

A. bow over the fingerboard B. back to the first speed C. very (French) D. broadly (German)

67. What does this mean?

cédez

A. heavily B. back to the original speed (French) C. back to the first speed D. slow down (French)

68. What does this mean?

lusingando

A. mute (French) B. coaxing, caressing C. very (French) D. sustained

69. What does this mean?

col legno

A. coaxing, caressing B. tearful, sad C. very (French) D. with the wood of the bow

70. What does this mean?

zart

A. mysteriously B. tenderly, delicately (German) C. as if, almost D. very (German)

71. What does this mean?

flautando

A. mute (French) B. bow lightly to give a flute-like sound C. slow down (French) D. tenderly, delicately (German)

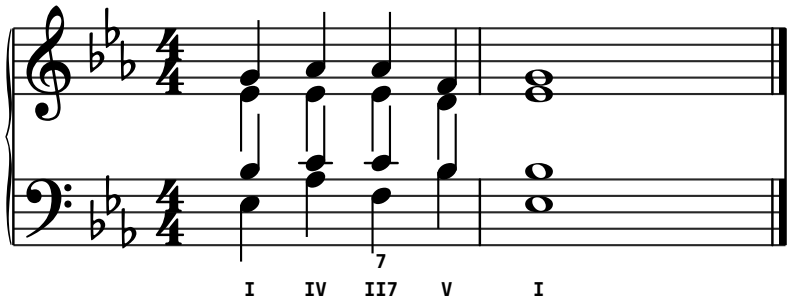

72. Which term means "stopped: hand in the bell of the horn (German)"?

A. quasi B. lugubre C. attacca D. gestopft

ANSWERS (FOR MUM)

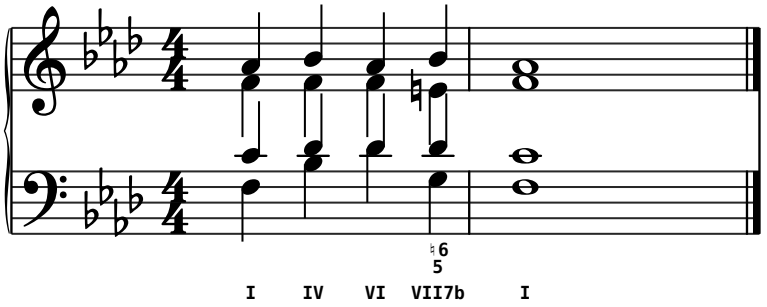

Figuring a bass (question 1)

1. **One good figuring: 5/3 · 5/3 · 7 · 5/3 · 5/3**.

   Marking: start from 15. Take off 2 for each figure that gives a chord without the melody note or makes a bad progression; 1 for a weaker choice. Other good figurings earn full marks.

2. **One good figuring: 5/3 · 5/3 · 5/3 · ♮6/5 · 5/3**.

   Marking: start from 15. Take off 2 for each figure that gives a chord without the melody note or makes a bad progression; 1 for a weaker choice. Other good figurings earn full marks.

3. **One good figuring: 5/3 · 5/3 · 5/3 · 7 · 5/3**.

   Marking: start from 15. Take off 2 for each figure that gives a chord without the melody note or makes a bad progression; 1 for a weaker choice. Other good figurings earn full marks.

4. **One good figuring: 5/3 · 6 · 5/3 · 5/3 · 6/4 · 5/3 · 5/3**.

Marking: start from 15. Take off 2 for each figure that gives a chord without the melody note or makes a bad progression; 1 for a weaker choice. Other good figurings earn full marks.

Rewriting with suspensions (question 2)

5. **Ideas that work (other good answers are possible)**.
   - 4–3 suspension in the alto: hold E♭4 from chord 2 into chord 3, then fall to D♭4.
   - 9–8 suspension in the tenor: hold C4 from chord 2 into chord 3, then fall to B♭3.
   - Passing note in the bass between chords 1 and 2: A♭2–G2–F2 (quavers).
   - Passing note in the soprano between chords 2 and 3: A♭4–G4–F4 (quavers).

   Marking: about 4 marks per well-made suspension (prepared, on the beat, resolving down a step, resolution note not doubled) and the rest for stylish decoration that keeps the harmony.
6. **Ideas that work (other good answers are possible)**.
   - 7–6 suspension in the soprano: hold C5 from chord 2 into chord 3, then fall to B♭4.
   - 4–3 suspension in the tenor: hold E♭4 from chord 4 into chord 5, then fall to D4.
   - 9–8 suspension in the alto: hold F4 from chord 5 into chord 6, then fall to E♭4.
   - Passing note in the alto between chords 4 and 5: A♭4–G4–F4 (quavers).
   - Passing note in the soprano between chords 5 and 6: B♭4–A♭4–G4 (quavers).

   Marking: about 4 marks per well-made suspension (prepared, on the beat, resolving down a step, resolution note not doubled) and the rest for stylish decoration that keeps the harmony.
7. **Ideas that work (other good answers are possible)**.
   - 7–6 suspension in the alto: hold D4 from chord 2 into chord 3, then fall to C♯4.
   - 9–8 suspension in the tenor: hold F3 from chord 2 into chord 3, then fall to E3.
   - 4–3 suspension in the soprano: hold A4 from chord 3 into chord 4, then fall to G♯4.

   Marking: about 4 marks per well-made suspension (prepared, on the beat, resolving down a step, resolution note not doubled) and the rest for stylish decoration that keeps the harmony.

Composing over chords (question 3)

8. **Mark with the checklist; one model answer below**.

1. Every strong-beat note belongs to the chord underneath (other notes may be passing or auxiliary notes)
2. The opening's rhythm comes back, changed or developed
3. A clear shape with a high point, mostly steps with some leaps
4. Bar 4 sounds like a half-way point (imperfect cadence); bar 8 ends on the tonic
5. Leading notes rise and 7ths fall where the chords change
6. It suits the instrument: range, breathing or bowing
7. Tempo, dynamics with a change, slurs and some articulation

9. **Mark with the checklist; one model answer below**.

1. Every strong-beat note belongs to the chord underneath (other notes may be passing or auxiliary notes)
2. The opening's rhythm comes back, changed or developed
3. A clear shape with a high point, mostly steps with some leaps
4. Bar 4 sounds like a half-way point (imperfect cadence); bar 8 ends on the tonic
5. Leading notes rise and 7ths fall where the chords change
6. It suits the instrument: range, breathing or bowing
7. Tempo, dynamics with a change, slurs and some articulation

10. **Mark with the checklist; one model answer below**.

1. Every strong-beat note belongs to the chord underneath (other notes may be passing or auxiliary notes)
2. The opening's rhythm comes back, changed or developed
3. A clear shape with a high point, mostly steps with some leaps
4. Bar 4 sounds like a half-way point (imperfect cadence); bar 8 ends on the tonic
5. Leading notes rise and 7ths fall where the chords change
6. It suits the instrument: range, breathing or bowing
7. Tempo, dynamics with a change, slurs and some articulation

Grade 7 chords

11. **A: II7**. X is B♭–D♭–F–A♭ with B♭ in the bass: II7, a secondary 7th, root position.
12. **D: 7**. X is VII7 (F♯–A–C–E♭). Counting up from the bass F♯: 7.
13. **C: 7**. X is I7 (A♭–C–E♭–G). Counting up from the bass A♭: 7.
14. **B: VII7b**. X is G♯–B–D–F with B in the bass: VII7b, a diminished 7th, first inversion.
15. **D: a secondary 7th**. X is A–C–E–G (II7): a secondary 7th. A 7th chord on a degree other than V. Its 7th is normally prepared and falls by step.
16. **A: VII7b**. X is B♯–D♯–F♯–A with D♯ in the bass: VII7b, a diminished 7th, first inversion.
17. **C: I7d**. X is F–A–C–E with E in the bass: I7d, a secondary 7th, third inversion.
18. **A: ♯6/5**. X is VII7b (E♯–G♯–B–D). Counting up from the bass G♯: ♯6 5. The accidental shows a note that differs from the key signature.
19. **B: VII7d**. X is F♯–A–C–E♭ with E♭ in the bass: VII7d, a diminished 7th, third inversion.
20. **C: a Neapolitan 6th**. X is G♭–B♭–D♭ (N6): a Neapolitan 6th. Its root is the flattened 2nd of the scale; it usually comes in first inversion and goes to V or Ic–V.
21. **A: ♭6/♭**. X is N6 (A♭–C–E♭). Counting up from the bass C: ♭6 ♭. The accidental shows a note that differs from the key signature.
22. **B: II7d**. X is B♭–D♭–F–A♭ with A♭ in the bass: II7d, a secondary 7th, third inversion.
23. **A: a Neapolitan 6th**. X is B♭–D–F (N6): a Neapolitan 6th. Its root is the flattened 2nd of the scale; it usually comes in first inversion and goes to V or Ic–V.
24. **B: N6**. X is D♭–F–A♭ with F in the bass: N6, a Neapolitan 6th (the major chord on the flattened supertonic, in first inversion).

Suspensions and decoration

25. **B: 4–3**. Note 2 (G) is held over from note 1 and makes a 4th above the bass D; it falls to F, a 3rd. So it's a 4–3 suspension.
26. **C: Note 2**. Note 1 is the preparation (a concord, tied over). Note 2 is the suspension: the same note, now clashing with the new bass on the strong beat. Note 3 is the resolution, a step down.
27. **D: 4–3**. Note 2 (F) is held over from note 1 and makes a 4th above the bass C; it falls to E, a 3rd. So it's a 4–3 suspension.
28. **A: soprano, into chord 5**. In the soprano, hold C from chord 4 into chord 5, then fall to B: a 4–3 suspension. It works because that part already moves down by step there, the held note clashes with the new bass on the beat, and the note it resolves to isn't doubled.
29. **B: soprano, into chord 3**. In the soprano, hold D from chord 2 into chord 3, then fall to C♯: a 7–6 suspension. It works because that part already moves down by step there, the held note clashes with the new bass on the beat, and the note it resolves to isn't doubled.
30. **C: 7 6**. The figures show the intervals above the bass: 7 resolving to 6.
31. **D: tenor, into chord 3**. In the tenor, hold F from chord 2 into chord 3, then fall to E♭: a 9–8 suspension. It works because that part already moves down by step there, the held note clashes with the new bass on the beat, and the note it resolves to isn't doubled.
32. **D: soprano, into chord 5**. In the soprano, hold F from chord 4 into chord 5, then fall to E: a 4–3 suspension. It works because that part already moves down by step there, the held note clashes with the new bass on the beat, and the note it resolves to isn't doubled.
33. **B: tenor, into chord 3**. In the tenor, hold B from chord 2 into chord 3, then fall to A: a 9–8 suspension. It works because that part already moves down by step there, the held note clashes with the new bass on the beat, and the note it resolves to isn't doubled.
34. **C: soprano, into chord 5**. In the soprano, hold C♯ from chord 4 into chord 5, then fall to B♯: a 4–3 suspension. It works because that part already moves down by step there, the held note clashes with the new bass on the beat, and the note it resolves to isn't doubled.
35. **C: 4–3**. Note 2 (F) is held over from note 1 and makes a 4th above the bass C; it falls to E♭, a 3rd. So it's a 4–3 suspension.
36. **A: 9–8**. Note 2 (F♯) is held over from note 1 and makes a 9th above the bass E; it falls to E, a octave. So it's a 9–8 suspension.

Solo instrument and piano (question 4)

37. **A: IV**. Sounding notes: A, E, C, A: A–C–E with A in the bass, so IV.
38. **B: B**♭. The horn in F sounds a perfect 5th lower than written: written F sounds as B♭. You can check it against the piano, which has the same harmony.
39. **A: I**. Sounding notes: F, C, F, A: F–A–C with F in the bass, so I.
40. **C: VI**. Sounding notes: C, C, E♭, G: C–E♭–G with C in the bass, so VI.
41. **D: B3**. In the tenor clef, middle C is on the 4th line up. The note at X is B3.
42. **A: perfect**. The last two chords are V–I: a perfect cadence.
43. **A: minor 13th**. The solo sounds G♭; the piano bass is B♭. That's a minor 13th, a compound interval.
44. **A: G3**. In the tenor clef, middle C is on the 4th line up. The note at X is G3.
45. **B: E**. The clarinet in B♭ sounds a major 2nd lower than written: written F♯ sounds as E. You can check it against the piano, which has the same harmony.
46. **C: VI**. Sounding notes: E, G, G, B: E–G–B with E in the bass, so VI.
47. **C: C**. The clarinet in B♭ sounds a major 2nd lower than written: written D sounds as C. You can check it against the piano, which has the same harmony.

48. **A: B♭**. The clarinet in A sounds a minor 3rd lower than written: written D♭ sounds as B♭. You can check it against the piano, which has the same harmony.

Full score (question 5)

49. **C: D**. The A clarinet sounds a minor 3rd lower than written: written F sounds as D (the same as violin II).
50. **D: the double bass sounds an octave lower**. The double bass always sounds an octave lower than written, so it doubles the cello an octave below.
51. **A: the double bass sounds an octave lower**. The double bass always sounds an octave lower than written, so it doubles the cello an octave below.
52. **A: V**. Read the strings (they don't transpose): C, G, E, C: C–E–G, so V.
53. **B: percussion**. Score order: woodwind, brass, percussion (here the timpani), then strings.
54. **C: percussion**. Score order: woodwind, brass, percussion (here the timpani), then strings.
55. **A: the double bass sounds an octave lower**. The double bass always sounds an octave lower than written, so it doubles the cello an octave below.
56. **A: the double bass sounds an octave lower**. The double bass always sounds an octave lower than written, so it doubles the cello an octave below.
57. **C: E**. A B♭ trumpet sounds a major 2nd lower than written, so it doubles the violin I tune: E.
58. **A: VI**. Read the strings (they don't transpose): F♯, A, F♯, C♯: F♯–A–C♯, so VI.
59. **A: 4**. Flute, oboe, clarinet and bassoon: four woodwind staves, at the top of the score.
60. **D: percussion**. Score order: woodwind, brass, percussion (here the timpani), then strings.

Grade 7 terms

61. **A: a 2**. a 2 means "both players play the same part".
62. **C: Flatterzunge**. Flatterzunge means "flutter-tonguing (German)".
63. **C: smorzando (smorz.)**. smorzando (smorz.) means "dying away".
64. **A: bewegt**. bewegt means "with movement (German)".
65. **C: back to the original speed (French)**. au mouvement means "back to the original speed (French)".
66. **A: bow over the fingerboard**. sul tasto means "bow over the fingerboard".
67. **D: slow down (French)**. cédez means "slow down (French)".
68. **B: coaxing, caressing**. lusingando means "coaxing, caressing".
69. **D: with the wood of the bow**. col legno means "with the wood of the bow".
70. **B: tenderly, delicately (German)**. zart means "tenderly, delicately (German)".
71. **B: bow lightly to give a flute-like sound**. flautando means "bow lightly to give a flute-like sound".
72. **D: gestopft**. gestopft means "stopped: hand in the bell of the horn (German)".
