

Day 32: Reading a score: chords, keys and cadences in context

Scores · about 40 minutes: warm-up 5 · teach 10 · together 10 · on his own 12 · game 3

1 · WARM-UP (5 MIN)

Today's practice in Philip's corner, or the first two 'together' questions below.

2 · TEACH (10 MIN)

Say: "A score question is detective work: collect the evidence from every stave before you decide."

- Questions 4 and 5 give a printed score and ask about it: name chords, cadences and keys, find intervals, explain terms and signs, and compare bars.
- To name a chord in a score: collect every note sounding at that moment from all the staves, put them in 3rds to find the root, and see which note is lowest for the inversion.
- Look out for non-chord notes in the melody: ignore them when you name the chord.

Worked example

At a marked beat: cello G, viola D, violin II B, violin I F (in C major). The chord?

1. Notes: G, B, D, F.
2. In 3rds: G-B-D-F: the dominant 7th.
3. G in the bass: root position. V7.

Watch out for

- Naming the chord from the melody note alone.
- Forgetting the bass note decides the inversion.

In the exam: Score questions often ask for chords in Roman numerals at marked places.

Show him these cards

1

To name a chord in a score, collect every note sounding at that moment, from every stave.

2

Put the notes in 3rds to find the root. The lowest note shows the inversion.

3

Ignore passing and other decorating notes in the melody.

3 · DO TOGETHER (10 MIN)

- Name four chords in the extract in the lesson pack.

Four questions to work through together

1. Name the interval between the cello and violin I at X (the first note of violin I there).

Maestoso

Violin I

Violin II

Viola

Cello

A. major 16th

B. augmented 16th

C. diminished 16th

D. major 17th

Answer: major 17th. Cello A up to violin I C#: a major 17th.

2. In F minor, which chord does this bass note and figure show?

A. IVb

B. V7b

C. II7b

D. IV

Answer: II7b. B $\flat$ with "6 5" is II7b: G-B $\flat$ -D $\flat$ -F.

3. Name the interval between the cello and violin I at X (the first note of violin I there).

Moderato

Violin I

Violin II

Viola

Cello

mp *ff* *mp* *ff* *mp* *ff* *mp* *ff*

pizz. *arco*

X

A. diminished 17th

B. perfect 18th

C. minor 17th

D. major 17th

Answer: major 17th. Cello G up to violin I B: a major 17th.

4. In B minor, which chord does this bass note and figure show?

6
5

A. IVb

B. Ib

C. II7b

D. V7c

Answer: II7b. E with "6 5" is II7b: C#-E-G-B.

4 • ON HIS OWN (12 MIN)

- Score reading game.

His worksheet is on the next page (answers at the end).

5 • GAME (3 MIN)

Chord collector: point at a beat; he gathers the notes and names the chord.

MOVE ON WHEN

He names chords in a score correctly, ignoring non-chord notes.

Philip's worksheet · Day 32

Name _____ Date _____ Score ____ / 8

1. This string quartet extract is in G major. Name the chord at X.

Allegro ma non troppo

Violin I

Violin II

Viola

Cello

p *f* *tr*

p *f*

p *f*

p pizz. *arco*

p *f* *x*

- A. V7c B. VIIb C. I D. IIb

2. This passage is in C major. Name the chord marked X.

- A. V7d B. IV C. IVb D. Ic

3. At X, which note of the chord does the Viola play?

Andante con moto

Violin I

Violin II

Viola

Cello

f *mf*

f *mf*

pizz. *arco*

A. 5th

B. 7th

D. V

6. This passage is in G minor. Name the chord marked X.

X

A. I

B. IVc

C. VI

D. IVb

7. At X, which note of the chord does the Viola play?

Allegro ma non troppo

The musical score is for four instruments: Violin I, Violin II, Viola, and Cello. The key signature is one flat (B-flat major) and the time signature is 4/4. The score consists of four measures. The first measure is marked with a circled 'X' above the Viola staff. The dynamics are *p* (piano) for the first measure and *f* (forte) for the second measure. The notes for each instrument are as follows:

Instrument	Measure 1 (X)	Measure 2	Measure 3	Measure 4
Violin I	G4 (quarter), A4 (quarter)	Bb4 (quarter), C5 (quarter)	D5 (quarter), E5 (quarter)	F5 (half)
Violin II	G4 (quarter), A4 (quarter)	Bb4 (quarter), C5 (quarter)	D5 (quarter), E5 (quarter)	F5 (half)
Viola	G3 (quarter), A3 (quarter)	Bb3 (quarter), C4 (quarter)	D4 (quarter), E4 (quarter)	F4 (half)
Cello	G2 (quarter), A2 (quarter)	Bb2 (quarter), C3 (quarter)	D3 (quarter), E3 (quarter)	F3 (half)

A. 7th

B. 3rd

C. 5th

D. root

8. In G major, which chord does this bass note and figure show?

The musical notation shows a bass note and figure in G major. The key signature is two sharps (F# and C#). The bass line consists of a whole note G2, followed by a quarter note F#2, and a quarter note E2.

A. V

B. II

C. Vc

D. Ic

ANSWERS (FOR MUM)

1. **C: I.** At X the four instruments play G, B, D, G (cello upwards): G-B-D with G in the bass, so I.
2. **B: IV.** X is F-A-C with F in the bass: IV (root position).
3. **A: 5th.** The chord at X is Ib (D-F-A). The Viola plays A, the 5th.
4. **C: IV.** X is F-A-C with F in the bass: IV (root position).
5. **B: Ib.** At X the four instruments play G $\sharp$, B, E, E (cello upwards): E-G $\sharp$ -B with G $\sharp$ in the bass, so Ib.
6. **A: I.** X is G-B $\flat$ -D with G in the bass: I (root position).
7. **B: 3rd.** The chord at X is IV (G-B $\flat$ -D). The Viola plays B $\flat$, the 3rd.
8. **B: II.** A with no figure (5/3) is II: A-C-E.

Day 33: String quartet scores and the alto clef

Scores · about 40 minutes: warm-up 5 · teach 10 · together 10 · on his own 12 · game 3

1 · WARM-UP (5 MIN)

Today's practice in Philip's corner, or the first two 'together' questions below.

2 · TEACH (10 MIN)

Say: "The alto clef is the viola's own clef. Find middle C on the middle line and count from there."

- A string quartet: violin I, violin II, viola and cello. The viola reads the alto clef (middle C on the middle line); the cello reads bass clef and sometimes tenor clef.
- In four-part harmony terms, violin I is usually the soprano, violin II the alto, viola the tenor and cello the bass.
- Practise reading the alto clef until it's as quick as treble.

Worked example

Name an alto-clef note on the top line.

1. The middle line is middle C.
2. Up a line: E, then G on the top line.
3. So the top line is G4.

Watch out for

- Reading the viola part as if it were treble clef.
- Forgetting the viola sounds where it's written (it doesn't transpose).

In the exam: Expect a quartet or chamber score in question 4.

Show him these cards

1

A string quartet: violin I, violin II, viola and cello. The viola reads the alto clef: middle C is the middle line.

2

Usually: violin I = soprano, violin II = alto, viola = tenor, cello = bass.

3

The cello reads bass clef, and tenor clef for high passages.

3 · DO TOGETHER (10 MIN)

- Read the viola part of the quartet extract in the lesson pack, note by note.

Four questions to work through together

1. This string quartet extract is in E $\flat$ major. Name the chord at X.

Andante

- A. I B. Vb C. II7b D. V

Answer: V. At X the four instruments play B $\flat$, B $\flat$, D, F (cello upwards): B $\flat$ -D-F with B $\flat$ in the bass, so V.

2. At X, which note of the chord does the Violin II play?

Andante con moto

Violin I

Violin II

Viola

Cello

The image shows the first four measures of a musical score for Violin I, Violin II, Viola, and Cello. The key signature is one sharp (F#) and the time signature is 4/4. The Violin I part starts with a forte (f) dynamic, followed by a fortissimo (ff) dynamic, and then a half note with a sharp sign. The Violin II part starts with a forte (f) dynamic, followed by a fortissimo (ff) dynamic, and then a half note with a sharp sign. The Viola part starts with a pizzicato (pizz.) dynamic, followed by an arco dynamic, and then a half note with a sharp sign. The Cello part starts with a forte (f) dynamic, followed by a fortissimo (ff) dynamic, and then a half note with a sharp sign. The score is written on four staves, each with a treble or bass clef and a key signature of one sharp.

- A. 7th B. root C. 5th D. 3rd

Answer: 7th. The chord at X is V7 (B-D#-F#-A). The Violin II plays A, the 7th.

3. Name the viola's note at Y. (The viola reads alto clef.)

Moderato

Violin I

Violin II

Viola

Cello

A. A

B. B

C. G

D. E

Answer: G. In alto clef, middle C is the middle line. Y is G.

4. This string quartet extract is in B minor. Name the chord at X.

Larghetto

Violin I

Violin II

Viola

Cello

A. Vb

B. I

C. V7c

D. IIb

Answer: I. At X the four instruments play B, B, F#, D (cello upwards): B-D-F# with B in the bass, so I.

4 • ON HIS OWN (12 MIN)

- Score reading game.

His worksheet is on the next page (answers at the end).

5 • GAME (3 MIN)

Alto clef speed round: name 10 notes in alto clef.

MOVE ON WHEN

He reads the viola part fluently and names chords from all four instruments.

Philip's worksheet · Day 33

Name _____ Date _____ Score ____ / 8

1. The note marked * in violin I is which kind of note?

Adagio

Violin I

Violin II

Viola

Cello

mp *p* *mp* *p*

- A. suspension B. passing note C. appoggiatura D. auxiliary note

2. Name the viola's note at Y. (The viola reads alto clef.)

Maestoso

Violin I

Violin II

Viola

Cello

mf *p* *mf* *p*

- A. B $\flat$ B. C C. G D. D $\flat$

3. At X, which note of the chord does the Viola play?

Allegretto

Violin I

Violin II

Viola

Cello

mf *ff*

A. 5th

B. 7th

C. 3rd

D. root

4. At X, which note of the chord does the Viola play?

Andante

Violin I

Violin II

Viola

Cello

f *ff*

pizz. *arco*

X

A. 7th

B. root

C. 5th

D. 3rd

5. At X, which note of the chord does the Cello play?

Grazioso

Violin I

Violin II

Viola

Cello

The image shows a musical score for four instruments: Violin I, Violin II, Viola, and Cello. The score is written in 4/4 time. The first measure of each instrument is marked with a forte dynamic (mf). The second measure is marked with a piano dynamic (pp). The Viola part includes a pizzicato (pizz.) marking in the second measure and an arco marking in the third measure. The Cello part includes a bow stop (x) marking in the third measure.

- A. 7th B. 3rd C. root D. 5th

6. This string quartet extract is in C minor. Name the chord at X.

Allegro moderato

Violin I

Violin II

Viola

Cello

The image shows a musical score for four instruments: Violin I, Violin II, Viola, and Cello. The score is written in 4/4 time and B-flat major (two flats). The first measure of each instrument is marked with a forte (*f*) dynamic. The second measure of each instrument is marked with a fortissimo (*ff*) dynamic. The third measure of each instrument is marked with a fortissimo (*ff*) dynamic. The fourth measure of each instrument is marked with a fortissimo (*ff*) dynamic. The Cello part has a small 'x' mark under the second measure.

- A. Ic B. V7c C. VIIb D. I

7. This string quartet extract is in F minor. Name the chord at X.

Maestoso

Violin I

Violin II

Viola

Cello

A. I

B. V7b

C. II7b

D. VI

8. The note marked * in violin I is which kind of note?

Adagio

Violin I

Violin II

Viola

Cello

A. passing note

B. suspension

C. changing note

D. auxiliary note

ANSWERS (FOR MUM)

1. **D: auxiliary note.** It steps away from a chord note and comes straight back.
2. **A: B $\flat$.** In alto clef, middle C is the middle line. Y is B $\flat$.
3. **C: 3rd.** The chord at X is I (B $\flat$ -D-F). The Viola plays D, the 3rd.
4. **D: 3rd.** The chord at X is VI (E-G-B). The Viola plays G, the 3rd.
5. **C: root.** The chord at X is VI (F-A-C). The Cello plays F, the root.
6. **D: I.** At X the four instruments play C, E $\flat$, G, C (cello upwards): C-E $\flat$ -G with C in the bass, so I.
7. **A: I.** At X the four instruments play F, C, F, A $\flat$ (cello upwards): F-A $\flat$ -C with F in the bass, so I.
8. **A: passing note.** It fills the gap between two chord notes a 3rd apart, by step.

Day 34: Compound intervals and ornaments in scores

Scores · about 40 minutes: warm-up 5 · teach 10 · together 10 · on his own 12 · game 3

1 · WARM-UP (5 MIN)

Today's practice in Philip's corner, or the first two 'together' questions below.

2 · TEACH (10 MIN)

Say: "Compound intervals are just simple intervals with an octave in the middle."

- Intervals between instruments are often larger than an octave: compound intervals. A 10th is an octave plus a 3rd, so a compound 3rd. Name both the number and the quality: major 10th, perfect 12th.
- Ornaments: know the signs (trill, turn, mordents, appoggiatura, acciaccatura) and how they are played.

Worked example

Cello C3 to violin E5. The interval?

1. C3 to C4 is an octave (8th); C3 to C5 is two octaves (15th).
2. C5 up to E5 adds a 3rd: so C3 to E5 is a 17th.
3. C to E is a major 3rd, so: a major 17th, or a compound major 3rd.

Watch out for

- Forgetting to count both end notes.
- Giving only the number without the quality.

In the exam: You can usually write either 'major 10th' or 'compound major 3rd'.

Show him these cards

1

A compound interval is bigger than an octave. A 10th = an octave + a 3rd.

2

Name the number and the quality: major 10th, perfect 12th, minor 9th.

3

Take away 7 to find the simple interval and its quality.

3 · DO TOGETHER (10 MIN)

- Find three compound intervals between the cello and violin I in the extract.

Four questions to work through together

1. Name the interval between the bass and alto in the chord marked X.

- A. perfect 15th B. augmented 15th C. diminished 16th D. diminished 14th

Answer: perfect 15th. F up to F is a perfect 15th (a compound perfect unison: 15 letters counting both ends).

2. Name the interval between the cello and violin I at X (the first note of violin I there).

Andantino

The musical score shows Violin I, Violin II, Viola, and Cello in 4/4 time, key of C major. The Cello staff has notes C, E, G, and A. The Violin I staff has notes C, E, G, and A. A blue vertical bar highlights the interval between the Cello and Violin I staves, with an 'X' marking the interval between the Cello and Violin I notes in the chord marked X.

- A. diminished 11th B. augmented 9th C. minor 10th D. major 9th

Answer: minor 10th. Cello A up to violin I C: a minor 10th.

3. Name the interval between the bass and alto in the chord marked X.

- A. minor 13th B. augmented 13th C. major 13th D. diminished 12th

Answer: major 13th. F# up to D# is a major 13th (a compound major 6th: 13 letters counting both ends).

4. Name the interval between the cello and violin I at X (the first note of violin I there).

Allegro moderato

Violin I

Violin II

Viola

Cello

f *mf*

f *mf*

f *mf*

f *mf*

pizz. *arco*

X

A. major 16th

B. major 17th

C. minor 16th

D. diminished 16th

Answer: major 17th. Cello A $\flat$ up to violin I C: a major 17th.

4 • ON HIS OWN (12 MIN)

- Compound intervals game.

His worksheet is on the next page (answers at the end).

5 • GAME (3 MIN)

Interval stretch: you name a compound interval; he finds it on the piano.

MOVE ON WHEN

He names compound intervals with the right quality.

Philip's worksheet · Day 34

Name _____ Date _____ Score ____ / 8

1. Name the interval between the bass and soprano in the chord marked X.

- A. diminished 11th B. diminished 13th C. perfect 11th D. perfect 12th

2. Name the interval between the cello and violin I at X (the first note of violin I there).

Lento

The musical score is for Violin I, Violin II, Viola, and Cello in 4/4 time, key of D major. The first measure shows the first notes of each instrument. The interval between the Cello (D4) and Violin I (D5) is a perfect 11th.

- A. diminished 10th B. augmented 11th C. diminished 9th D. major 10th

3. Name the interval between the bass and alto in the chord marked X.

- A. diminished 11th B. augmented 10th C. diminished 9th D. minor 10th

4. Name the interval between the cello and violin I at X (the first note of violin I there).

Allegro ma non troppo

Violin I

Violin II

Viola

Cello

The image shows the first four measures of a musical score for Violin I, Violin II, Viola, and Cello. The key signature is B-flat major (two flats) and the time signature is 4/4. The Violin I and Violin II parts are in treble clef, the Viola part is in alto clef, and the Cello part is in bass clef. The first measure of each part starts with a forte (*f*) dynamic, and the second measure starts with a mezzo-forte (*mf*) dynamic. The notes are as follows:

- Violin I:** Measure 1: B-flat, A-flat, G-flat; Measure 2: F, E, D; Measure 3: C, B, A; Measure 4: G, F, E.
- Violin II:** Measure 1: B-flat, A-flat, G-flat; Measure 2: F, E, D; Measure 3: C, B, A; Measure 4: G, F, E.
- Viola:** Measure 1: B-flat, A-flat, G-flat; Measure 2: F, E, D; Measure 3: C, B, A; Measure 4: G, F, E.
- Cello:** Measure 1: B-flat, A-flat, G-flat; Measure 2: F, E, D; Measure 3: C, B, A; Measure 4: G, F, E.

- A. major 14th B. diminished 12th C. major 13th D. minor 13th

5. Name the interval between the bass and alto in the chord marked X.

- A. major 10th B. augmented 11th C. minor 10th D. diminished 10th

6. Name the interval between the cello and violin I at X (the first note of violin I there).

8. Name the interval between the cello and violin I at X (the first note of violin I there).

Moderato

Violin I

Violin II

Viola

Cello

p *mf* *p* *mf*

X

A. augmented 10th

B. minor 10th

C. perfect 11th

D. major 10th

ANSWERS (FOR MUM)

1. **D: perfect 12th.** E up to B is a perfect 12th (a compound perfect 5th: 12 letters counting both ends).
2. **D: major 10th.** Cello D up to violin I F#: a major 10th.
3. **D: minor 10th.** B up to D is a minor 10th (a compound minor 3rd: 10 letters counting both ends).
4. **C: major 13th.** Cello E $\flat$ up to violin I C: a major 13th.
5. **C: minor 10th.** B up to D is a minor 10th (a compound minor 3rd: 10 letters counting both ends).
6. **A: perfect 15th.** Cello A up to violin I A: a perfect 15th.
7. **A: minor 10th.** B up to D is a minor 10th (a compound minor 3rd: 10 letters counting both ends).
8. **B: minor 10th.** Cello A up to violin I C: a minor 10th.

Day 35: The orchestra: instruments, families and score order

Scores · about 40 minutes: warm-up 5 · teach 10 · together 10 · on his own 12 · game 3

1 · WARM-UP (5 MIN)

Today's practice in Philip's corner, or the first two 'together' questions below.

2 · TEACH (10 MIN)

Say: "An orchestral score is a map. Once you know the order, you can find any instrument quickly."

- Score order from the top: woodwind (flute, oboe, clarinet, bassoon), brass (horn, trumpet, trombone, tuba), percussion (timpani first), then harp, piano or celesta if there are any, then strings (violin I, violin II, viola, cello, double bass).
- Know each instrument's family, how it makes its sound, its clef and roughly its range.
- Know the string terms: pizz., arco, con sord., div., sul ponticello, col legno, and wind terms like a 2.

Worked example

Which comes higher in a score: horn or clarinet?

1. Clarinet is woodwind; horn is brass.
2. Woodwind come first.
3. So clarinet is higher up the page.

Watch out for

- Putting horns below trumpets (horns come first in the brass).
- Forgetting percussion sits between brass and strings.

In the exam: Question 5 is on an orchestral score with up to 10 or more staves.

Show him these cards

1

Score order from the top: woodwind, brass, percussion, strings.

2

Woodwind: flute, oboe, clarinet, bassoon. Brass: horn, trumpet, trombone, tuba. Strings: violin I, violin II, viola, cello, double bass.

3

Know each instrument's clef: viola alto; cello, bassoon and trombone use tenor clef for high notes.

4

Instruments double each other: the flute often plays violin I's tune an octave higher, and the bassoon plays the bass line with the cello.

3 · DO TOGETHER (10 MIN)

- Label a blank score layout with the instruments in order.

Four questions to work through together

1. What does 'div.' mean in a string part?

- A. play near the bridge B. pluck the string C. all play together D. divide: some players take the upper note, others the lower

Answer: divide: some players take the upper note, others the lower. div. (divisi) splits the section; unis. puts them back together.

2. Which instruments play the bass line together?

The musical score is for a woodwind and string ensemble in 4/4 time. The instruments listed on the left are Flute, Clarinet in B $\flat$, Horn in F, Bassoon, Violin I, Violin II, Viola, and Cello. The Flute part starts with a whole note G $\sharp$ (F $\sharp$ 4) and then has five eighth notes: A $\sharp$ 4, B $\sharp$ 4, C $\sharp$ 5, D $\sharp$ 5, and E $\sharp$ 5. The Clarinet in B $\flat$, Horn in F, Bassoon, Violin I, Violin II, and Viola parts all play the same melody: a quarter note G $\sharp$ 4, a quarter note A $\sharp$ 4, a quarter note B $\sharp$ 4, a quarter note C $\sharp$ 5, a quarter note D $\sharp$ 5, and a whole note E $\sharp$ 5. The Bassoon and Cello parts are identical, playing the bass line: a quarter note G $\sharp$ 3, a quarter note A $\sharp$ 3, a quarter note B $\sharp$ 3, a quarter note C $\sharp$ 4, a quarter note D $\sharp$ 4, and a whole note E $\sharp$ 4.

- A. viola and cello B. clarinet and bassoon C. horn and cello D. bassoon and cello

Answer: bassoon and cello. The bassoon and cello have the same notes: the bass line.

3. Which clef does the viola normally use?

- A. bass clef B. tenor clef C. treble clef D. alto clef

Answer: alto clef. The viola reads the alto clef, with middle C on the middle line.

4. Which instrument doubles violin I an octave higher?

The image shows a musical score for an orchestra in 4/4 time. The instruments listed are Flute, Clarinet in B $\flat$, Horn in F, Bassoon, Violin I, Violin II, Viola, and Cello. The Flute part is an octave higher than the Violin I part. The other instruments play the same melody as the Violin I.

- A. horn in F B. violin II C. clarinet in B $\flat$ D. flute

Answer: flute. The flute plays the violin I tune an octave higher all the way through.

4 • ON HIS OWN (12 MIN)

- The orchestra and Orchestral score games.

His worksheet is on the next page (answers at the end).

5 • GAME (3 MIN)

Who's lower? Name two instruments; he says which plays lower.

MOVE ON WHEN

He lists score order and answers instrument questions quickly.

Philip's worksheet · Day 35

Name _____ Date _____ Score ____ / 8

1. In a full orchestral score, which of these is written lower down the page?

- A. trombone B. bassoon

2. Which instruments play the bass line together?

The musical score is for an orchestra in 4/4 time, key of D major. The instruments listed are Flute, Clarinet in B $\flat$, Horn in F, Bassoon, Violin I, Violin II, Viola, and Cello. The bass line is played by the Bassoon, Viola, and Cello.

- A. bassoon and cello B. horn and cello C. viola and cello D. clarinet and bassoon

3. In a full orchestral score, which of these is written lower down the page?

- A. horn B. trumpet

4. Which instrument doubles violin I an octave higher?

Flute

Clarinet in B $\flat$

Horn in F

Bassoon

Violin I

Violin II

Viola

Cello

A. flute

B. clarinet in B $\flat$

C. horn in F

D. violin II

5. In a full orchestral score, which of these is written lower down the page?

A. tuba

B. violin I

6. Which instruments play the bass line together?

The image displays a musical score for an orchestra, showing the bass line for eight instruments: Flute, Clarinet in B $\flat$, Horn in F, Bassoon, Violin I, Violin II, Viola, and Cello. The score is written in 4/4 time and G major (one sharp). The bass line for the Flute, Clarinet in B $\flat$, Horn in F, Violin I, Violin II, and Viola is written in the treble clef. The bass line for the Bassoon and Cello is written in the bass clef. The bass line for the Bassoon and Cello is the same, starting on G $\sharp$ 4, moving up stepwise to D5, and then holding a whole note. The bass line for the Flute, Clarinet in B $\flat$, Horn in F, Violin I, Violin II, and Viola is the same, starting on G $\sharp$ 4, moving up stepwise to D5, and then holding a whole note.

A. bassoon and viola

B. viola and cello

C. bassoon and cello

D. clarinet and bassoon

7. In a full orchestral score, which of these is written higher up the page?

A. trumpet

B. clarinet

8. Which instruments play the bass line together?

The musical score is for a woodwind and string ensemble in 4/4 time, key of B-flat major. The instruments are Flute, Clarinet in B-flat, Horn in F, Bassoon, Violin I, Violin II, Viola, and Cello. The bass line is played by the Bassoon, Viola, and Cello.

The bass line consists of the following notes: B-flat (half note), A-flat (quarter note), G (quarter note), F (quarter note), E (quarter note), D (quarter note), C (half note).

A. clarinet and bassoon

B. viola and cello

C. bassoon and cello

D. bassoon and viola

ANSWERS (FOR MUM)

1. **A: trombone.** Score order from the top: woodwind (flute, oboe, clarinet, bassoon), brass (horn, trumpet, trombone, tuba), percussion (timpani first), then strings (violin I, violin II, viola, cello, double bass). So bassoon comes above trombone.
2. **A: bassoon and cello.** The bassoon and cello have the same notes: the bass line.
3. **B: trumpet.** Score order from the top: woodwind (flute, oboe, clarinet, bassoon), brass (horn, trumpet, trombone, tuba), percussion (timpani first), then strings (violin I, violin II, viola, cello, double bass). So horn comes above trumpet.
4. **A: flute.** The flute plays the violin I tune an octave higher all the way through.
5. **B: violin I.** Score order from the top: woodwind (flute, oboe, clarinet, bassoon), brass (horn, trumpet, trombone, tuba), percussion (timpani first), then strings (violin I, violin II, viola, cello, double bass). So tuba comes above violin I.
6. **C: bassoon and cello.** The bassoon and cello have the same notes: the bass line.
7. **B: clarinet.** Score order from the top: woodwind (flute, oboe, clarinet, bassoon), brass (horn, trumpet, trombone, tuba), percussion (timpani first), then strings (violin I, violin II, viola, cello, double bass). So clarinet comes above trumpet.
8. **C: bassoon and cello.** The bassoon and cello have the same notes: the bass line.

Day 36: Transposing instruments

Scores · about 40 minutes: warm-up 5 · teach 10 · together 10 · on his own 12 · game 3

1 · WARM-UP (5 MIN)

Today's practice in Philip's corner, or the first two 'together' questions below.

2 · TEACH (10 MIN)

Say: "Transposing instruments read one note and play another. It's like speaking with an accent: you learn each one's rule."

- Some instruments read different notes from what sounds.
- Clarinet and trumpet in B $\flat$: sound a major 2nd lower. Clarinet in A: a minor 3rd lower. Horn in F and cor anglais: a perfect 5th lower. Double bass: an octave lower. Piccolo: an octave higher.
- To find the sounding note (concert pitch), go DOWN by the interval (UP for piccolo). To write a part, go the other way. Change the key signature by the same interval (horn parts are often written with no key signature, using accidentals instead).

Worked example

Horn in F has written D5. What sounds?

1. Horn in F sounds a perfect 5th lower.
2. D down a perfect 5th: G.
3. So G4 sounds.

Watch out for

- Going the wrong direction.
- Forgetting to change the key signature.

In the exam: Question 5 often asks you to write a few notes at concert pitch.

Show him these cards

1

B $\flat$ clarinet and trumpet: sound a major 2nd lower than written.

2

A clarinet: a minor 3rd lower. Horn in F and cor anglais: a perfect 5th lower.

3

To find the sound, go DOWN. To write a part, go UP. Change the key signature too.

3 · DO TOGETHER (10 MIN)

- Write three bars of a horn part at concert pitch.

Four questions to work through together

1. How does the trumpet in B $\flat$ sound, compared with its written notes?

- A. an octave higher B. a minor 3rd lower C. a major 2nd lower D. a perfect 5th lower

Answer: a major 2nd lower. The trumpet in B $\flat$ sounds a major 2nd lower than written.

2. The clarinet in B $\flat$ plays the note marked X. Which note actually sounds?

The musical score shows eight staves for the following instruments: Flute, Clarinet in B $\flat$, Horn in F, Bassoon, Violin I, Violin II, Viola, and Cello. All instruments are in 4/4 time and the key of D major (two sharps). The Flute, Bassoon, Violin I, Violin II, Viola, and Cello parts all play a sequence of notes: D4 (quarter), E4 (quarter), F#4 (quarter), G4 (quarter), A4 (quarter), and B4 (half). The Clarinet in B $\flat$ part plays the same sequence, but the note marked with an 'X' is on the second line of the staff, which is an E4.

A. D

B. F $\sharp$

C. E

D. B

Answer: D. A B $\flat$ clarinet sounds a major 2nd (a tone) lower than written: written E sounds as D, the same note as violin II.

3. How does the cor anglais sound, compared with its written notes?

- A. a perfect 5th lower B. a minor 3rd lower C. exactly as written D. an octave higher

Answer: a perfect 5th lower. The cor anglais sounds a perfect 5th lower than written.

4. The clarinet in B $\flat$ plays the note marked X. Which note actually sounds?

The image shows an orchestral score snippet with eight staves. The key signature is one sharp (F#) and the time signature is 4/4. The instruments are listed on the left: Flute, Clarinet in B $\flat$, Horn in F, Bassoon, Violin I, Violin II, Viola, and Cello. The Clarinet in B $\flat$ staff has a note marked with an 'X' on the second line, which is an A4 note.

A. G

B. E

C. F $\sharp$

D. A

Answer: G. A B $\flat$ clarinet sounds a major 2nd (a tone) lower than written: written A sounds as G, the same note as violin II.

4 • ON HIS OWN (12 MIN)

- Orchestral score game: transposing questions.

His worksheet is on the next page (answers at the end).

5 • GAME (3 MIN)

Transposing ping-pong: you name a written note and instrument; he names the sound.

MOVE ON WHEN

He transposes for B $\flat$, A and F instruments without mistakes.

Philip's worksheet · Day 36

Name _____ Date _____ Score ____ / 8

1. How does the horn in F sound, compared with its written notes?

- A. an octave lower B. a minor 3rd lower C. a perfect 5th lower D. an octave higher

2. Why does the clarinet part have a different key signature from the strings?

Flute

Clarinet in B $\flat$

Horn in F

Bassoon

Violin I

Violin II

Viola

Cello

- A. it plays in a different key on purpose B. the clarinet reads alto clef C. it's a B $\flat$ instrument, so it's written a tone higher D. it sounds a tone higher than written

3. The horn in F plays this written note. Which note actually sounds?

- A. C B. G C. C $\sharp$ D. D

4. The clarinet in B $\flat$ plays the note marked X. Which note actually sounds?

Flute

Clarinet in B $\flat$

Horn in F

Bassoon

Violin I

Violin II

Viola

Cello

A. E

B. G

C. F $\sharp$

D. F

5. The horn in F plays this written note. Which note actually sounds?

A. D

B. E $\sharp$

C. B

D. E

6. Which note actually sounds for the horn in F at Y?

The musical score is for an orchestra in D major (two sharps) and 4/4 time. The instruments listed are Flute, Clarinet in B $\flat$, Horn in F, Bassoon, Violin I, Violin II, Viola, and Cello. The Horn in F part has a note marked with 'Y' on the second measure. The note is written as a half note on the second line of the staff, which is F $\sharp$ (C $\sharp$).

A. G

B. A

C. C $\sharp$

D. B

7. In a full orchestral score, which of these is written lower down the page?

A. clarinet

B. bassoon

8. This orchestral extract sounds in F major. Name the chord at X.

The image shows an orchestral score for eight instruments: Flute, Clarinet in B $\flat$, Horn in F, Bassoon, Violin I, Violin II, Viola, and Cello. The music is in F major (one flat) and 4/4 time. The key signature is indicated by a single flat (B $\flat$) on the first line of the Flute staff. The time signature is 4/4. The score consists of eight staves. The melody is played by the Flute, Clarinet in B $\flat$, Horn in F, Bassoon, Violin I, Violin II, Viola, and Cello. The chord at measure 4 is marked with an 'X' below the Cello staff. The notes in the chord are: Flute (F4), Clarinet in B $\flat$ (A4), Horn in F (C5), Bassoon (F4), Violin I (A4), Violin II (C5), Viola (F4), and Cello (F4).

A. I

B. V $\flat$

C. V7d

D. V7b

ANSWERS (FOR MUM)

1. **C: a perfect 5th lower.** The horn in F sounds a perfect 5th lower than written.
2. **C: it's a B $\flat$ instrument, so it's written a tone higher.** The music sounds in B $\flat$ major, so the B $\flat$ clarinet is written a tone higher, in C major.
3. **A: C.** The horn in F sounds a perfect 5th lower than written, so go DOWN a perfect 5th: G sounds as C.
4. **A: E.** A B $\flat$ clarinet sounds a major 2nd (a tone) lower than written: written F $\sharp$ sounds as E, the same note as violin II.
5. **D: E.** The horn in F sounds a perfect 5th lower than written, so go DOWN a perfect 5th: B sounds as E.
6. **B: A.** A horn in F sounds a perfect 5th lower than written (horn parts are often written without a key signature). Its written note at Y sounds as A, the same note the viola has.
7. **B: bassoon.** Score order from the top: woodwind (flute, oboe, clarinet, bassoon), brass (horn, trumpet, trombone, tuba), percussion (timpani first), then strings (violin I, violin II, viola, cello, double bass). So clarinet comes above bassoon.
8. **A: I.** Read the strings (they don't transpose): F, C, F, A. That's F-A-C with F in the bass: I.

Day 37: Analysing chords and cadences in a score

Scores · about 40 minutes: warm-up 5 · teach 10 · together 10 · on his own 12 · game 3

1 · WARM-UP (5 MIN)

Today's practice in Philip's corner, or the first two 'together' questions below.

2 · TEACH (10 MIN)

Say: "Read the whole question, then the whole score once before you answer anything."

- Put it together: in a longer extract, find the key, the cadences, two or three named chords, a non-chord note, an interval and a term.
- Answer exactly what's asked: give the bar and beat, and the instrument where needed.
- Musical devices: sequence, imitation, pedal, ostinato, syncopation, hemiola, Alberti bass, augmentation and inversion. Name the device and give the bars.

Worked example

How to answer 'name the chord at bar 3, beat 1'.

1. Find bar 3, beat 1 in every stave.
2. Collect the notes; find the root; check the bass.
3. Write the Roman numeral and inversion, for example IIb.

Watch out for

- Answering the wrong bar.
- Long answers that don't say the key thing.
- Calling any repeat a sequence: a sequence must move to a new pitch.

In the exam: Questions 4 and 5 are worth 25 marks each. They often ask you to name a device (sequence, imitation, pedal...) and give the bar numbers.

Show him these cards

1

In a longer extract: find the key, the cadences, two or three chords, a non-chord note, an interval and a term.

2

Answer exactly what's asked: give bar and beat, and the instrument when it matters.

3

Short, precise answers win marks.

4

Sequence: the same idea repeated a step higher or lower.

5

Imitation: another part copies the tune a little later. Pedal: a long held or repeated bass note under changing chords. Ostinato: a short pattern repeated over and over.

6

Also look for: syncopation (accents off the beat), hemiola (two bars of 3/4 that sound like one bar of 3/2), Alberti bass (broken chords: low-high-middle-

high), augmentation (the tune in longer notes) and inversion (the tune upside down).

3 · DO TOGETHER (10 MIN)

- Work through the score questions in the lesson pack together.

Four questions to work through together

1. At X, which note of the chord does the Cello play?

Grazioso

- A. 3rd B. 7th C. root D. 5th

Answer: root. The chord at X is I (F-A $\flat$ -C). The Cello plays F, the root.

2. Which rhythmic device is used in bars 2-3? (E $\flat$ major)

- A. augmentation B. a hemiola C. repetition D. a rising sequence

Answer: a hemiola. In 3/4, two bars are grouped as if they were three bars of 2/4: three minims across two bars, usually just before a cadence.

3. Which instruments play the bass line together?

- A. clarinet and bassoon B. bassoon and cello C. horn and cello D. bassoon and viola

Answer: bassoon and cello. The bassoon and cello have the same notes: the bass line.

4. Which chords fit the last 2 melody notes (A, B) and make an imperfect cadence? (E $\flat$ major)

- A. V – VI B. Ib – IV C. I – I D. IV – V

Answer: IV – V. The melody notes are A $\flat$, F. IV (A $\flat$ -C-E $\flat$) contains A $\flat$; V (B $\flat$ -D-F) contains F. The wrong answers each have a chord without its melody note.

4 • ON HIS OWN (12 MIN)

- Score reading game.

His worksheet is on the next page (answers at the end).

5 • GAME (3 MIN)

Exam-style quick-fire: 10 questions on one extract in 10 minutes.

MOVE ON WHEN

8 out of 10 or better on score questions.

Philip's worksheet · Day 37

Name _____ Date _____ Score ____ / 8

1. At X, which note of the chord does the Violin I play?

Grazioso

Violin I

Violin II

Viola

Cello

mp *ff* *mp* *ff*

A. root

B. 3rd

C. 7th

D. 5th

2. Which device does this extract use? (E $\flat$ major)

A. repetition

B. imitation

C. a rising sequence

D. an Alberti bass

3. Which instruments play the bass line together?

The musical score shows eight staves for the following instruments: Flute, Clarinet in B $\flat$, Horn in F, Bassoon, Violin I, Violin II, Viola, and Cello. The key signature is one flat (B $\flat$) and the time signature is 4/4. The bass line, consisting of the notes F2, C3, F2, and C3, is played together by the Bassoon and Cello.

A. bassoon and cello

B. horn and cello

C. bassoon and viola

D. viola and cello

4. Name the cadence at the end of this passage in F major.

The musical score shows a piano passage in 4/4 time, F major. The key signature is one flat (B $\flat$). The passage ends with a perfect cadence (V-I), with the final chord being F major (F4, A4, C5) in the treble and F2, C3 in the bass.

A. plagal

B. imperfect

C. perfect

D. interrupted

5. The note marked * is which kind of note? (B $\flat$ major)

- A. anticipation B. appoggiatura C. passing note D. changing notes

6. This string quartet extract is in G major. Name the chord at X.

Allegretto

The musical score is for a string quartet in G major (one sharp) and 4/4 time, marked *Allegretto*. It features four staves: Violin I, Violin II, Viola, and Cello. The first two measures are marked *mp* (mezzo-piano), and the third measure is marked *f* (forte). The notes in each part are: Violin I (G4, A4, B4, A4, G4, F#4, E4), Violin II (G4, A4, B4, A4, G4, F#4, E4), Viola (G3, A3, B3, A3, G3, F#3, E3), and Cello (G2, A2, B2, A2, G2, F#2, E2). The chord at the end of the first measure (G2, A2, B2, G3, A3, B3) is marked with an 'X' in the Cello part.

- A. IVc B. IVb C. V D. V7c

7. What is the bass part doing? (E $\flat$ major)

8. Which instrument doubles violin I an octave higher?

The musical score is for an orchestra in 4/4 time, key of D major. The instruments and their parts are as follows:

- Flute:** Treble clef, key signature of one sharp (F#), 4/4 time. The melody starts on D5, moves up stepwise to G5, and then has a whole note rest on G5.
- Clarinet in B $\flat$:** Treble clef, key signature of two sharps (F# and C#), 4/4 time. The melody starts on D4, moves up stepwise to G4, and then has a whole note rest on G4.
- Horn in F:** Treble clef, key signature of one sharp (F#), 4/4 time. The melody starts on D4, moves up stepwise to G4, and then has a whole note rest on G4.
- Bassoon:** Bass clef, key signature of one sharp (F#), 4/4 time. The melody starts on D3, moves up stepwise to G3, and then has a whole note rest on G3.
- Violin I:** Treble clef, key signature of one sharp (F#), 4/4 time. The melody starts on D4, moves up stepwise to G4, and then has a whole note rest on G4.
- Violin II:** Treble clef, key signature of one sharp (F#), 4/4 time. The melody starts on D4, moves up stepwise to G4, and then has a whole note rest on G4.
- Viola:** Alto clef, key signature of one sharp (F#), 4/4 time. The melody starts on D3, moves up stepwise to G3, and then has a whole note rest on G3.
- Cello:** Bass clef, key signature of one sharp (F#), 4/4 time. The melody starts on D3, moves up stepwise to G3, and then has a whole note rest on G3.

The Flute part is an octave higher than the Violin I part.

A. bassoon

B. flute

C. violin II

D. horn in F

ANSWERS (FOR MUM)

1. **A: root.** The chord at X is I (C#–E–G#). The Violin I plays C#, the root.
2. **C: a rising sequence.** The same shape is repeated, starting a step higher each time.
3. **A: bassoon and cello.** The bassoon and cello have the same notes: the bass line.
4. **A: plagal.** The last two chords are IV and I: IV–I is a plagal cadence.
5. **C: passing note.** A passing note fills the gap between two chord notes a 3rd apart, by step.
6. **C: V.** At X the four instruments play D, D, F#, A (cello upwards): D–F#–A with D in the bass, so V.
7. **B: an Alberti bass.** The left hand breaks each chord into the pattern low–high–middle–high.
8. **B: flute.** The flute plays the violin I tune an octave higher all the way through.

Day 38: Review: score questions (Days 32-37)

Scores · about 40 minutes: warm-up 5 · teach 10 · together 10 · on his own 12 · game 3

1 · WARM-UP (5 MIN)

Today's practice in Philip's corner, or the first two 'together' questions below.

2 · TEACH (10 MIN)

- Go back over Days 32-37.

Show him these cards

1

To name a chord in a score, collect every note sounding at that moment, from every stave.

2

A string quartet: violin I, violin II, viola and cello. The viola reads the alto clef: middle C is the middle line.

3

A compound interval is bigger than an octave. A 10th = an octave + a 3rd.

4

Score order from the top: woodwind, brass, percussion, strings.

5

A clarinet: a minor 3rd lower. Horn in F and cor anglais: a perfect 5th lower.

6

Sequence: the same idea repeated a step higher or lower.

3 · DO TOGETHER (10 MIN)

- Do the 'together' questions in the lesson pack.

Four questions to work through together

1. This string quartet extract is in C major. Name the chord at X.

Maestoso

Violin I

Violin II

Viola

Cello

mp

p

mp

p

mp

pizz.

arco

mp

p

x

- A. V B. IVb C. Vb D. II7b

Answer: V. At X the four instruments play G, D, B, G (cello upwards): G-B-D with G in the bass, so V.

2. Name the interval between the bass and alto in the chord marked X.

- A. diminished 11th B. augmented 13th C. diminished 12th D. perfect 12th

Answer: perfect 12th. F# up to C# is a perfect 12th (a compound perfect 5th: 12 letters counting both ends).

3. In a full orchestral score, which of these is written lower down the page?

- A. viola B. timpani

Answer: viola. Score order from the top: woodwind (flute, oboe, clarinet, bassoon), brass (horn, trumpet, trombone, tuba), percussion (timpani first), then strings (violin I, violin II, viola, cello, double bass). So timpani comes above viola.

4. This string quartet extract is in E $\flat$ major. Name the chord at X.

Adagio

Violin I

Violin II

Viola

Cello

A. V

B. Ib

C. IV

D. Vb

Answer: Ib. At X the four instruments play G, B $\flat$, E $\flat$, B $\flat$ (cello upwards): E $\flat$ -G-B $\flat$ with G in the bass, so Ib.

4 • ON HIS OWN (12 MIN)

- Today's practice.

His worksheet is on the next page (answers at the end).

5 • GAME (3 MIN)

Alto clef speed round.

C. changing note

D. passing note

8. Name the interval between the bass and soprano in the chord marked X.

X

A. augmented 13th

B. diminished 12th

C. minor 13th

D. augmented 14th

ANSWERS (FOR MUM)

1. **D: V7.** At X the four instruments play F, E $\flat$, A, C (cello upwards): F-A-C-E $\flat$ with F in the bass, so V7.
2. **B: perfect 15th.** C up to C is a perfect 15th (a compound perfect unison: 15 letters counting both ends).
3. **D: C.** The clarinet in B $\flat$ sounds a major 2nd lower than written, so go DOWN a major 2nd: D sounds as C.
4. **C: minor 10th.** Cello F $\sharp$ up to violin I A: a minor 10th.
5. **C: minor 14th.** D up to C is a minor 14th (a compound minor 7th: 14 letters counting both ends).
6. **D: a major 2nd lower.** The clarinet in B $\flat$ sounds a major 2nd lower than written.
7. **A: auxiliary note.** It steps away from a chord note and comes straight back.
8. **C: minor 13th.** E up to C is a minor 13th (a compound minor 6th: 13 letters counting both ends).

Day 39: Mixed harmony practice

Scores · about 40 minutes: warm-up 5 · teach 10 · together 10 · on his own 12 · game 3

1 · WARM-UP (5 MIN)

Today's practice in Philip's corner, or the first two 'together' questions below.

2 · TEACH (10 MIN)

Say: "Today is a rehearsal for the writing half of the paper."

- A mixed practice day: one figured bass, one harmonised melody, one composition opening planned (not written out).
- Time each one as in the exam: about 25 minutes for each writing question.

Worked example

Timing for the real exam.

1. Q1 25 min, Q2 25 min, Q3 35 min.
2. Q4 35 min, Q5 35 min.
3. 25 minutes to check everything.

Watch out for

- Spending too long on one question.
- Not leaving time to check.

In the exam: The paper is 3 hours.

Show him these cards

1

A mixed day: one figured bass, one harmonised melody, one composition plan.

2

About 25 minutes for each writing question.

3

Check, check, check: consecutives, leading note, 7ths.

3 · DO TOGETHER (10 MIN)

- Mark each one together.

Four questions to work through together

1. Add the alto and tenor parts. The soprano and the figured bass are given. (D major)

Answer: Model answer below (other good answers are possible): I – Ib – IIb – V – I.

2. Add the alto and tenor parts. The soprano and the figured bass are given. (B minor)

Answer: Model answer below (other good answers are possible): I – V – VI – V – VI – IV – I – V.

3. This four-part passage is in A major. What is wrong with it?

- A. Consecutive octaves B. The 7th doesn't fall by step C. The leading note doesn't rise to the tonic D. The leading note is doubled

Answer: The leading note doesn't rise to the tonic. Chords 3-4: the leading note (G#) in the soprano should rise to the tonic.

4. This four-part passage is in G minor. What is wrong with it?

- A. The leading note doesn't rise to the tonic B. An augmented 2nd in one part C. A chord has no 3rd D. Consecutive 5ths

Answer: A chord has no 3rd. Chord 3 (V7): the 3rd (F#) is missing.

4 • ON HIS OWN (12 MIN)

- Figured bass and Harmonise a melody in Philip's corner.

His worksheet is on the next page (answers at the end).

5 • GAME (3 MIN)

Spot the mistake: beat your best.

MOVE ON WHEN

All three are close to exam standard.

Philip's worksheet · Day 39

Name _____ Date _____ Score ____ / 8

1. Realise this figured bass: add soprano, alto and tenor. (C# minor)

Figured bass notation for C# minor (4/4 time):

Bass line: C#4 (quarter), E4 (quarter), F#4 (quarter), G#4 (quarter), A4 (half).

2. Realise this figured bass: add soprano, alto and tenor. (G major)

Figured bass notation for G major (4/4 time):

Bass line: G4 (quarter), B4 (quarter), C#5 (quarter), D5 (half).

3. This four-part passage is in B minor. What is wrong with it?

Four-part setting in B minor (4/4 time):

Bass line: B4 (quarter), D5 (quarter), E5 (quarter), F#5 (half).

Soprano line: D5 (quarter), E5 (quarter), F#5 (quarter), G#5 (half).

A. The 7th doesn't fall by step B. Nothing is wrong C. An augmented 2nd in one part D. Consecutive octaves

4. This four-part passage is in F# minor. What is wrong with it?

- A. The 7th doesn't fall by step B. An augmented 2nd in one part C. Nothing is wrong D. The leading note is doubled

5. This four-part passage is in C major. What is wrong with it?

- A. The leading note is doubled B. Consecutive octaves C. Nothing is wrong D. The leading note doesn't rise to the tonic

6. This four-part passage is in C minor. What is wrong with it?

- A. Consecutive octaves B. The leading note is doubled C. A chord has no 3rd D. An augmented 2nd in one part

7. This four-part passage is in D major. What is wrong with it?

1 2 3 4 5

A. The leading note doesn't rise to the tonic B. Consecutive 5ths C. Consecutive octaves D. Nothing is wrong

8. This four-part passage is in C minor. What is wrong with it?

1 2 3 4 5

A. Consecutive octaves B. Nothing is wrong C. A chord has no 3rd D. The leading note is doubled

ANSWERS (FOR MUM)

1. Model answer below (other good answers are possible): I - IVc - I - Ib - II7b - V - I.

I IVc I Ib II7b V I

2. Model answer below (other good answers are possible): I - II - V - I.

I II V I

3. **B: Nothing is wrong.** Every chord is complete, the parts move smoothly and there are no consecutive 5ths or octaves.
4. **A: The 7th doesn't fall by step.** Chords 4-5: the 7th (B) in the alto should fall by step.
5. **B: Consecutive octaves.** Chords 1-2: consecutive octaves between soprano and bass (C to F).
6. **D: An augmented 2nd in one part.** Chords 3-4: the soprano moves by an augmented 2nd (A $\flat$ -B). Avoid it.
7. **C: Consecutive octaves.** Chords 2-3: consecutive octaves between soprano and bass (B to G).
8. **C: A chord has no 3rd.** Chord 4 (V): the 3rd (B) is missing.

Day 40: Check-up: everything so far

Scores · about 40 minutes: warm-up 5 · teach 10 · together 10 · on his own 12 · game 3

1 · WARM-UP (5 MIN)

Today's practice in Philip's corner, or the first two 'together' questions below.

2 · TEACH (10 MIN)

Say: *"This shows us what's solid and what needs one more look before the practice papers."*

- A mini mock in Philip's corner: 20 questions on chords, cadences, notes outside the chord, keys, intervals, the orchestra and terms, out of 100.
- Use it to choose what to fix before the practice papers.

Worked example

After the mock.

1. List every wrong answer by topic.
2. Find the day that teaches each one.
3. Redo those days before paper 1.

Watch out for

- Skipping the review.
- Only looking at the score.

In the exam: The mini mock covers the knowledge questions, not the writing ones.

Show him these cards

1

A mini mock: 20 questions, 100 marks.

2

No hints, no second tries.

3

Afterwards, look at what went wrong and choose what to fix.

3 · DO TOGETHER (10 MIN)

- Look through his mistakes together.

Four questions to work through together

1. In A minor, which chord does this bass note and figure show?

A. VI

B. V7b

C. Vc

D. IVc

Answer: V7b. G# with "6 5" is V7b: E-G#-B-D.

2. This passage is in E major. Name the chord marked X.

A. VIIb

B. IIb

C. Ib

D. II7b

Answer: IIb. X is F#-A-C# with A in the bass: IIb (first inversion).

3. This passage is in D major. Name the chord marked X.

A. IVb

B. I

C. V7c

D. Ic

Answer: I. X is D-F#-A with D in the bass: I (root position).

4. Which figures go under this chord? (Key: A $\flat$ major)

A. 4/3

B. 6

C. 6/5

D. 5/3 (no figure)

Answer: 6/5. The chord is V7b (E $\flat$ -G-B $\flat$ -D $\flat$) with G in the bass. Count up from the bass: 6/5.

4 • ON HIS OWN (12 MIN)

- The mini mock in Philip's corner.

His worksheet is on the next page (answers at the end).

5 • GAME (3 MIN)

His choice.

MOVE ON WHEN

Mini mock at 66 or more (pass level). Below that, repeat the weakest days.

Philip's worksheet · Day 40

Name _____ Date _____ Score ____ / 8

1. This passage is in E major. Name the chord marked X.

A. V7d

B. IVb

C. II

D. I

2. Which figures go under this chord? (Key: F major)

A. 4/2

B. 4/3

C. 6/4

D. 6

3. This passage is in G minor. Name the chord marked X.

A. Vb

B. VI

C. II7b

D. IV

4. In C major, which chord does this bass note and figure show?

A. Vc

B. V7

C. II

D. I

5. This passage is in C# minor. Name the chord marked X.

A. I

B. V7

C. V7c

D. V

6. In A minor, which chord does this bass note and figure show?

A. V7d

B. Ic

C. II7b

D. V7

7. Which figures go under this chord? (Key: F minor)

A. 6/5

B. 7/ $\flat$

C. 5/3 (no figure)

D. 6

8. Which figures go under this chord? (Key: C major)

A. 6

B. 4/3

C. 5/3 (no figure)

D. 6/4

ANSWERS (FOR MUM)

1. **C: II.** X is F[#]-A-C[#] with F[#] in the bass: II (root position).
2. **D: 6.** The chord is I_b (F-A-C) with A in the bass. Count up from the bass: 6.
3. **B: VI.** X is E^b-G-B^b with E^b in the bass: VI (root position).
4. **B: V7.** G with "7" is V7: G-B-D-F.
5. **D: V.** X is G[#]-B[#]-D[#] with G[#] in the bass: V (root position).
6. **A: V7d.** D with "#4 2" is V7d: E-G[#]-B-D.
7. **D: 6.** The chord is I_b (F-A^b-C) with A^b in the bass. Count up from the bass: 6.
8. **C: 5/3 (no figure).** The chord is V (G-B-D) with G in the bass. Count up from the bass: 5 and 3, which is normally left blank.
